Rank	ID	Project Type	Sponsor	Description	Score (out of 27 Maximum)	Project Readiness
1	TI13123798	Transit Transfer	RTA	Improvements at 19 Priority Interagency Transit Transfer Locations	20	Project application requests continuation of project that is scheduled to be implemented at 4 interagency stations by 2nd and 3rd quarter 2011. Previous CMAQ awards totalling $2,000,000 received. No ROW needed. Preliminary Design has been approved. Project Completion estimated by FY 2014.
2	TI13123713	Transit Service & Equipment	Pace	I-90 Corridor Enhanced Markets	20	Project application requests 5 years of Engineering, Construction, and implementation, including expanded bus services, park and ride lot lease expenses and market development. No ROW needed. No design approval required. Project must be coordinated with proposed Illinois Tollway reconstruction of I-90, which may include some engineering and construction of bus-supportive facilities within the expressway ROW. Project application elements subject to change following further study by ISTHA, RTA, and Pace.
3	TI13123716	Transit Service & Equipment	Pace	I-55 Corridor Market Enhancements	19	Project application requests 3 years of implementation, including expanded bus services, park and ride lot lease expenses and market development. No ROW needed. No design approval required.
5	TI13123796	Transit Service & Equipment	RTA	Regional Transit Signal Priority Integration Plan, 5 Year Implementation: Priority Corridors	19	Project is scheduled to be implemented over 5 year period. No ROW required. Preliminary design work is underway. Elements of this project have already been implemented via CMAQ 2005 funding. Several corridors, notably Milwaukee Ave, Dempster St, and 95th Street, are already undergoing Engineering II phase. The project application request addresses remaining Engineering II activities and Implementation for up to 19 TSP corridors with varying target dates for Engineering II and subsequent implementation. Schedule TBD by RTA, Pace, and other stakeholders.
6	TI13123832	Transit Facility Improvement	Pace	Regional Bus on Shoulder Program	18	Project application request is for development of a regional expressway bus-on-shoulder No ROW needed. Design approval process has not begun. Project would begin following conclusion of I-55 Bus on Shoulder pilot program (estimated to be year 2014). Legislation authorizing use of shoulder along I-55 has been approved by Illinois state legislature.
7	TI13123582	Transit Service & Equipment	Pace	Milwaukee Ave Corridor Pace Route #270 and Dempster Corridor Pace Route #250	17	Project requests funds for completion of Preliminary Engineering (PE) activities for these corridors as part of Arterial Rapid Transit (ART) system development. This phase would last 1 FY period (2012). PE should result in design and operational standards for elements of ART system. No ROW needed. Design approval not begun.
8	TI04123705	Transit Facility Improvement	Maywood	Maywood Train Station, UP West	16	Project requests CMAQ funds for Engineering Phase I (FY 2012), Engineering Phase II (FY 2014), and Construction (FY 2015). No ROW needed. Design approval is underway. Station is being planned in conjunction with Metra and the Union Pacific Railroad; the proposed third track along the UP West corridor is in the design phase.
9	TI17123801	Transit Service & Equipment	Pace	95th St Corridor, Harlem Ave Corridor, Halsted St Corridor	15	Project requests funds for completion of Preliminary Engineering (PE) activities for Arterial Rapid Transit (ART) system development on these 3 corridors. 95th St would be completed in FY 2014, Harlem Ave in FY 2015, and Halsted St in Fy 2016. PE should result in design and operational standards for elements of ART system. Unclear whether ROW needed. Status of Design approval not clear.
9	TI04123703	Transit Facility Improvement	Berkeley	Berkeley Train Station Improvements	15	Project application requests funds for Phase I, Phase II Engineering, and construction of an enclosed station facility. The UP RR as part of its third track improvement project initially agreed to provide warming centers and shelters. No ROW needed. Design approval process is underway.
10	TI01123788	Transit Facility Improvement	CDOT	Reconstruct State/Lake Station	15	Project application requests funds for Engineering and ROW Acquisition. Funds have been requested for estimated construction costs, albeit for FY 2017 program year. Project anticipates enabling station access from adjacent property necessitating ROW purchase. Design approval process is underway.
11	TI01123775	Transit Facility Improvement	CDOT	Consolidate Randolph/Wabash and Madison/Wabash stations into Washington/Wabash station	15	Project application requests funds for Phase II Engineering (FY 2013) and Construction (2015) of this consolidated rapid transit facility. No ROW needed. Design approval process is underway.
12	TI01123760	Transit Facility Improvement	CDOT	Clark/Division, LaSalle/Division Station Improvements	14	Project requests funds for construction of new LaSalle St at Division St mezzanine, extension of existing Clark At Division mezzanine along with additional pay entrances, rotogates, and ADA access. Construction for both elements would be completed in FY 2012 and FY 2013, ROW, at a cost of $1.8 million, remains to be purcahsed for the LaSalle St component. Design approval process is underway. Project has received $51.9 million dollars in previous year CMAQ funds. Current application asks for $28.64 million.
13	TI01123566	Transit Facility Improvement	CTA	Install High Barrier Gate	13	Project application requests funding for Phase I Engineering in FY 2012 and Construction over subsequent 4 FY periods of facilities providing additional fare-paying access and egress to existing CTA stations. No ROW needed. Design approval process has not begun.
14	TI13123568	Transit Service & Equipment	Pace	Vans for the Pace Vanpool Program	12	Project application requests funds (implmentation) to purchase approximately 278 vans over a four year period (FY 2013 throuth FY 2016). No ROW needed. Design approval is not required.
15	TI02123578	Transit Facility Improvement	Evanston	CTA Yellow Line Infill Station	11	Project application requests funds for Phase I and Phase II engineering, noting that construction would not begin until FY 2017 (however an estimated cost for construction was provided). ROW needs are uncertain based on eventual project location. Design approval process has not begun.
16	TI13123831	Transit Facility Improvement	Pace	Posted Stop Program	11	Project requests funds for Construction across period FY 2012 through FY 2016 for improvement of bus stop locations. No ROW needed. Design approval is not required.
17	OT13123598	Other	RTA	Chicagoland Commute Options	11	Project application requests implementation funds for FY 2012 to initiate development of regionwide comprehensive travel demand management (TDM) program). No ROW needed. Design approval is not required.
18	TI10123575	Transit Service & Equipment	Lake County DOT	Southeast Lake County Paratransit Coordination Project	11	Project application requests funds for Implementation (FY 2013) of enhanced coordination of existing paratransit services currently administered in 5 townships. No ROW needed. Design approval is not required.
19	TI13123565	Transit Service & Equipment	Pace	Community Vehicles	11	Project application requests funds (FY 2013 through FY 2016, Implementation) for approximately 566 vehicles to serve community-based transit needs. No ROW needed. Design approval is not required.
20	OT13123613	Other	Illinois Tollway / CNT	Peer to Peer Car Sharing	11	Project application requests funds for FY 2012 to develop and implement service. No ROW needed. Design approval is not required.
21	TI01123755	Transit Facility Improvement	CDOT	Orange Line Extension ROW Acquisition, 60th St to Marquette Rd	10	Project application requests $1.2 million (FY 2012) to account for a cost increase for ROW that had been negotiated and expected to be purchased by end of CY 2011. Design approval
22	TI07123706	Transit Facility Improvement	Homewood	Homewood Train Station	10	Project application requests funds for Phase I (FY 2012) , Phase II Engineering (FY 2013), and Construction (FY 2014) of improved facility. No ROW needed. Design approval process has not begun.
23	TI13123570	Transit Service & Equipment	Pace	Regional Rideshare Program	10	Project requests funds for implementation (FY 2012, FY 2014, FY 2016) of media outreach campaign promoting ridesharing. No ROW needed. Design approval is not required
24	DE10123593	Demonstration	Lake County DOT	Vanpool Incentive Program for Cook and Lake County	9	Project application requests funds (FY 2013, Implementation) for demonstration project aimed at increasing vanpool participation by offering incentives. No ROW needed. Design approval is not required.
25	TI10123701	Transit Service & Equipment	Lake County DOT	Lake & Cook County Shuttle Connections	9	Project requests funds (Implmentation, FY 2012-2013) for development of shuttle bus routes connecting employers in northern Cook and Lake counties to nearby Metra stations. No ROW needed. Design approval is not required.
26	TI01123572	Transit Service & Equipment	CTA	CTA Bus and Rail Tracker	9	Project application requests implementation funds for FY 2012 and FY 2013 to develop and implement comprehensive campaign to promote alert travel tracker service. No ROW needed. Design approval is not required.
27	PD07123529	Parking Deck	Tinley Park	North Street Commuter Parking Lot	8	Project application requests funds for construction (FY 2012) of proposed multi-story parking facility. No ROW is needed. Design approval process is underway.
28	PD08123481	Parking Deck	Winfield	Proposed Metra Parking Garage directly north of Winfield UP west Line Station	8	Project application requests funds for Phase I (FY 2012), Phase II Engineering (FY 2013) and Construction (FY 2016) of proposed multi-story parking facility. No ROW is needed. Design approval process is underway.
29	PD031223530	Parking Deck	Barrington	North Commuter Parking Lot	8	Project application requests funds for Phase I (FY 2012) , Phase II Engineering (FY 2014), and Construction (FY 2015) of improved facility. No ROW needed. Design approval process is underway.
30	OT08123595	Other	Westmont	Quincy Street Metra Station	8	Project application requests funds for Phase I (FY 2012), Phase II Engineering (FY 2012) and Construction (2013) of proposed access improvements. No ROW needed. Design approval has not begun.
31	PD07123483	Parking Deck	Richton Park	Metra Commuter Parking Deck at NE Corner of Richton Rd and Sauk Trail	7	Project application requests funds for construction (FY 2012) of proposed multi-story parking facility. No ROW is needed. Design has been approved.
