Presented by

 Chicago Metropolitan  
Agency for Planning  
[www.cmap.illinois.gov](http://www.cmap.illinois.gov)

Learn the basic steps of developing and implementing a local bikeway network. This half-day workshop will focus on both the technical aspects of route selection and on current facility designs. Directional signing, network-level planning, and engineering on-street facilities will be addressed in the workshop. Presentations will consist of an introduction to bikeway planning and several case studies of bikeway plan development and implementation in northeastern Illinois communities.

### WHO SHOULD ATTEND

Public and private sector engineers, planners, municipal and county officials and staff.
