CMAP Working Committees & Citizens' Advisory Committee meeting summaries

Citizens' Advisory Committee
Staff Contact: Ricardo Lopez
The Citizens' Advisory Committee, scheduled to meet on November 8 at 4:00 p.m., has not met since our last reporting.

Economic Development
Staff Contact: Annie Byrne
The Economic Development Committee met on October 25 and discussed the status of the OECD Tri-State Territorial Review and process to provide feedback on the draft documents. Staff presented an outline of the Human Capital section of the GO TO 2040 Implementation Report and committee members provided additional suggestions and information to help develop the report. The committee also provided feedback on the draft framework for CMAP's 2012 State Legislative Agenda that Staff presented. The committee meets next on November 29, 2012.

Environment & Natural Resources
Staff Contact: Jesse Elam
The Environment and Natural Resources Committee met on November 2. Updates on the "21st Century Chicago Area Waterway Study" being carried out by the Great Lakes and St. Lawrence Cities Initiative and the Great Lakes Commission as well as on a technical assistance project being carried out in Lake Zurich to analyze water resource management options for the village were presented. The committee discussed a model ordinance being developed by CMAP and its partners to promote local food systems and discussed follow-up ideas for a workshop CMAP hosted on climate change adaptation. The next meeting will be January 4, 2012 at 9:30 am.

Housing
Staff Contact: Kendra Smith
The Housing Committee met on October 20. Committee members worked to finalize submissions for the GO TO 2040 Implementation Report and developed and discussed topics, agenda items and speaker selections for the 2012 Housing Committee calendar. RTA staff gave a brief overview of the new Transit-Oriented Development: Future of Development literature. An overview of CMAP's new housing blogs was also presented. Updates were provided on the West Cook & South Suburban Collaborative *Homes for a Changing Region* project and CMAP's upcoming State Legislative Agenda. The committee meets next on November 17.

Human Services
Staff Contact: Andrew Williams-Clark
The Human and Community Development Committee had not met since our last reporting. It is scheduled to meet next on November 14, 2011 at 10:00 a.m.

CMAP Working Committees & Citizens' Advisory Committee meeting summaries

Land Use
Staff Contact: Stephen Ostrander
The Land Use Committee met on October 19. Staff provided an overview and update on the Energy Impact Illinois (EI2) program. Staff also invited committee feedback on the CMAP legislative agenda, discussed plans for participating in a planning charrette in Carpentersville, in support of CMAP's LTA project there, and gave an update on CMAP's plans to produce a GO TO 2040 Implementation Report describing actions that have taken place over the past year that advance the implementation of GO TO 2040. S.B. Friedman staff presented their final report (commissioned by CMAP) on transportation value capture analysis for the region. There will be no meeting of the Land Use Committee in November (as committee members were invited to the planning charrette in Carpentersville on November 16) and the next meeting of the committee is scheduled for January 18, 2012.

Transportation
Staff Contact: Teri Dixon
The Transportation Committee is scheduled to meet next on November 18, 2012 at 9:30 a.m.
