## NE IL Regional Water Supply Planning Group

### Goals

*adopted*

*24 March 2009*

- Goal #1 **Ensure water demand and supply result in equitable availability through drought and nondrought conditions alike.**
- Goal #2 **Protect the quality of the ground and surface water supply.**
- Goal #3 **Provide sufficient water to sustain aquatic ecosystems and economic development.**
- Goal #4 **Inform the people of northeastern Illinois about the importance of water-resource stewardship.**
- Goal #5 **Manage withdrawals from water sources to protect long-term productive yields.**
