Ivan,
You need to send an email to Holly asking her to combine the projects listed below into one project. That will ensure that this project receives all of its funding for the January letting.

12-06-0037 – Hugh I need a request from Bolingbrook to combine 12-09-0009 into 12-06-0037. Currently CMAQ funds are in 12-09-0009. I will also accept Chad having this on his list as moving forward enough to be moved off the CMAQ A list.

09-09-0005 – Jan please go ahead and make the TIP change, I will accept Chad having this on his list as moving forward enough to be moved off the CMAQ A list.

10-09-0008 – Bruce please go ahead and make the TIP change, I will accept Chad having this on his list as moving forward enough to be moved off the CMAQ A list.

03-06-0002 – This has a request pending with the CMAQ PSC to move $$ from ROW into Construction and for a cost increase. Committee won't act until 11/18 so it will have to wait until then.

08-00-0012 – I don't have any CMAQ funding in this project anymore. Last obligation was in March 2009.

09-09-0005 Elgin – CMAQ Mike S/Jan

03-09-0055 Elk Grove Village – STU Mike W

03-09-0056 Elk Grove Village – STU Mike W
