Chairman Schielke,

The Central Council of Mayors respectfully requests the Council of Mayors Executive Committee approve advance funding in the amount of $21,000 federal Surface Transportation Program (STP) dollars for FY13. The Central Council of Mayors requests advanced funding for the following project:

$21,000 Federal/$150,000 Total Transit Connectivity Study, Town of Cicero

The Central Council had requested advance funding for this project in FY 12, however the project failed to receive federal authorization before the end of the fiscal year. Currently, the Town of Cicero has submitted their paperwork to IDOT's Central office and is awaiting approval. The above project has also received $120,000 from the RTA and will begin work as soon as they receive approval from IDOT.

Please consider this request and contact me with any questions or for further clarification at (708) 453-9100.
