Dear Citizens' Advisory Committee Members:

The Citizens' Advisory Committee is scheduled to meet on **Tuesday, November 13, 2012 at 4:00 p.m.** Please note the meeting will take place at an offsite location rather than at CMAP as usual. Being the last meeting of the year, we thought this will be a good opportunity to dedicate sometime to ourselves and return to CAC in 2013 with fresh ideas.

That said, the November 13th take place at La Casa Resource Center, located on 1815 S. Paulina Street in the Chicago Pilsen community. Our CAC member, Ulises will provide a brief presentation on the Resurrection Project's work and give us a tour of their recent accomplished project, La Casa. Then, we will walk over to La Fogata Village for dinner.

Questions regarding the meeting should be addressed to Ricardo Lopez (rlopez@cmap.illinos.gov or 312-386-8766).

Thanks. We look forward to seeing you next week.

Outreach and Community Engagement Specialist
