As the Kane County Board Representative for District #15, I concur with Drew Frasz, Kane County Board Representative for District #26, in regards to your endorsement of the Grand Prairie Sanitary District wastewater treatment plant. District #15 encompasses the northerly one third of the proposed Settlements of LaFox development and the Grand Prairie Sanitary District.

It certainly is in the best interest of Kane County to allow this proposal to move forward and be poised to take advantage of the future housing industry. Approval of the above sanitary district will help provide jobs in the construction industry for our and nearby communities.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Barbara Wojnicki".
