Stats

Discussion about an inventory started about 10 years ago

Just over 1 year ago, David Clark identified new NearMap aerials as ideal for developing the inventory. Two interns completed DuPage County last summer.

5 interns, 6 FT staff, nearly 31,000 miles later...

Top 3 coders by mileage (approx.)

- Dustin: 7,667 miles
- James: 5,034 miles
- Katie: 4,237 miles
