Re: Responses to comments received on FY13 – 14 Transportation Alternatives program

The following memo is a summary of comments received from the public on the proposed FY13-14 CMAP Transportation Alternatives program as well as staff's responses to them.

Ed Barsotti – League of Illinois Bicyclists

Mr. Barsotti submitted an email commending CMAP's proposed program of projects. No response needed.

Thomas Vander Woude – South Suburban Mayors and Managers Association

Mr. Vander Woude recommended that CMAP update the 2009 Regional Greenways and Trails Plan, which was a major criterion used in ranking Transportation Alternatives projects. Staff agrees that updating the Greenways and Trails plan is important and should be part of an upcoming annual work plan.

Terry Witt

Mr. Witt indicated that he felt the ranking process and the projects selected for the program were sound. No response needed.
