Re: CMAQ Project Selection Committee Recommendation on FFY 2014-2018 CMAQ Program

At its September 10, 2013 meeting, the CMAQ Project Selection Committee considered the comments on the proposed FFY 2014-2018 CMAQ program released for public comment at their August meeting.

The Project Selection Committee accepted the staff recommendations regarding the comments, with the addition of proposal II10143922 –IL120 at Hainesville Rd, sponsored by IDOT. The Committee recommends funding this project since it is part of a corridor recommended by the Regional Transportation Operations Coalition together with a signal interconnect project sponsored by Lake County on IL 120 (SI10143982) which was already included in the proposed program.

The staff summary of comments received and recommendations is attached, as is the proposed program as revised.
