IL 56 (Butterfield Road) at Commonwealth Lane Intersection Improvement  
08-09-0011

Mr. Ferguson,

The City of Elmhurst would like to request that \$76,000 of the \$377,180 in CMAQ funding for this project be transferred from Construction to Right-of-Way (ROW). While completing the Phase 1 Engineering it was determined that the ROW costs increased above the original \$35,000 estimate. Initially, an adjacent hospital had hoped the project could be completed quicker by working with the City to cover ROW themselves. Thus there is no request for CMAQ funding on the application. But with the cost increase, the City and hospital decided they'd rather use CMAQ funds. The City is not requesting more CMAQ funds. The City has also received \$958,000 in STP funds for construction through the DuPage Mayors and Managers Conference.

Thanks,

### Mike Albin
