To: Doug Ferguson:

Kane County was awarded CMAQ funding for the Fabyan Parkway/IL 25 to Nagel Blvd--bottleneck elimination/bi-directional turn lane project. The E2 and ROW phases were funded at the following level:

Project Phase	Original Cost Estimate	CMAQ Funding Award
E2 and ROW	\$ 620,000	\$ 332,000

Phase 2 engineering currently is underway. However, Kane County has decided to expedite ROW acquisition and fund this phase with local funds rather than CMAQ funds . Due to this funding source change, Kane County is relinquishing a total of \$204,000 in CMAQ funds allocated to the project's ROW acquisition phase. Upon your approval, the TIP database will be updated with this change.

Project Phase	CMAQ Funding Allocation	CMAQ Funds Relinquished
ROW	\$ 204,000	\$ 204,000

Thank you for your assistance with this request, Jan
