On 22nd Street, I believe on a past CMAQ update I indicated that the sidewalk was constructed utilizing IDOT regular program dollars and the CMAQ funds were not going to be used. I recall back then you said the project was being withdrawn.

Subject: CMAQ Project Clean Up

Hi Brian-

We are working on a data cleaning on CMAQ projects. There are two projects listed below and their issues, please advise.

08-97-0010 is CERMAK RD (22ND STREET) FROM IL 56 BUTTERFIELD ROAD (DUPAGE/OAK BROOK) TO IL 83 KINGERY HWY (DUPAGE/OAK BROOK TERRACE). This project was applied for by Oakbrook Terrace and they transferred the sponsorship to IDOT. I believe that this project was completed but that CMAQ funding was not used. If this is the case, please send me an email withdrawing the funding so we can place the project balance into the general CMAQ pot.

01-09-0034 is I-55 Bus-on-shoulders Support (formerly Park and Ride Transit for the Northeastern Region). I recall hearing that you would be able to use the CMAQ funding for sweeping, but do not have any obligations yet, even for the signs. Do you plan on using this funding? If so, when? If not, can we please have a withdrawal letter so the funding can be put back into the CMAQ general pot.

Thanks,  
Holly
