MEMORANDUM

To: Planning Coordinating Committee

Date: May 5, 2010

From: Bob Dean, Principal Regional Planner

Re: Schedule for Adoption of *GO TO 2040*

GO TO 2040 is scheduled to be considered for adoption by the CMAP Board and MPO Policy Committee in October. Key dates remaining in the plan development process include the following:

- June 11 to August 6 – the draft plan will be available for public comment.
- September 8 – the Planning Coordinating Committee will meet to discuss comments received and make any final recommendations for edits to the draft plan. The Board will meet later that day, and the MPO Policy Committee the following day, for the same purpose.
- Late September (date undetermined) – the Planning Coordinating Committee will meet to review the final plan and consider recommending its endorsement to the Board and MPO Policy Committee.
- October 13 – the Board and MPO Policy Committee will hold a joint meeting to consider the adoption of *GO TO 2040*.

The date of the late September meeting is still to be determined. Staff prefers that it occur after the Transportation Committee's consideration of recommending adoption (which will occur on September 17) but before the end of September. Committee members are asked to consider scheduling this meeting for **Wednesday, September 29**, or to propose alternative dates.

ACTION REQUESTED: Discussion.
