**From:** Dolores Dowdle  
Deputy Executive Director, Finance and Administration

**Date:** February 22, 2012

**Re:** FY 2013 UWP Competitive Proposals

---

---

On January 5, 2012 a Call for Projects was made for the FY 2013 UWP proposals. Fourteen proposals were received for the core projects and fifteen for the competitive projects. The UWP Committee will act upon the core proposals at its meeting on February 29, 2012 and will discuss the competitive proposals at its March 7, 2012 meeting, with final action at its April 11 meeting.

The following table reflects the competitive proposals received. Copies of the proposals will be distributed with the March 7 agenda. The agency submitting the proposals will discuss the projects at the meeting and then, the Committee will rank the proposals. Based on the available monies after the Core proposals have been funded, CMAP staff will incorporate the Committee's rankings and make a proposed program recommendation to the UWP Committee that follows the same considerations in the Core program.
