**Re: SFY 2010 UWP Reprogramming Request**

The RTA hereby requests reprogramming of unexpended SFY 2010 UWP funds from the "Regional Data Archive Demonstration" project. This UWP project is proposed to be terminated by the RTA.

The RTA proposes that the reprogrammed UWP funds would be added to the existing "RTA Capital Decision Prioritization Tool" project, which is only partially funded with SFY 2013 UWP funds. The existing and proposed budget amounts are provided below, and a revised project description is attached:

SFY	Project	Federal Amount	Local Match	Total Budget
2010	Regional Data Archive Demonstration (proposed to be terminated)	\$193,473	\$48,368	\$241,841
2013	RTA Capital Decision Prioritization Tool (partially funded with SFY 2013 UWP)	\$62,400	\$15,600	\$78,000
	Proposed combined amount for RTA Capital Decision Prioritization Tool	\$255,873	\$63,968	\$319,841

Please include this request on the agenda for the next UWP Committee meeting.

Sincerely,

Mark E. Pitstick  
UWP Committee Representative
