Dear Mayor Schielke:

The McHenry County Council of Mayors respectfully requests that the Council of Mayors Executive Committee approve our request for advance funding in the amount of \$425,000 in federal Surface Transportation Program (STP) dollars. The request is for one project in McHenry County scheduled for the June 11, 2010 letting. The project is the US Route 14 at Airport Road intersection improvement project. This project needs to be on the June 11, 2010 letting as part of a deal with Wal-Mart which is contributing \$575,000 to the project.

The McHenry County Council of Mayors spent down their allotted amount of Surface Transportation Funding in March of 2009. We look forward to moving forward with this project scheduled for the June 11, 2010 IDOT letting. The McHenry County Council of Mayors approved seeking advance funding for ready to go projects in 2009.

If you have any questions or need any additional information please contact me at 815-334-4970. Thank you very much for your consideration and we look forward to hearing from you soon.

Sincerely,

Chalen L. Daigle
Planning Liaison
McHenry County Council of Mayors
