Request for Additional STP Funding***

Dear Ms. Daigle:

On behalf of the Village of Bull Valley, the City of Woodstock, Dorr Township and Nunda Township, we request an additional \$340,000 in STP funding to rehabilitate both Country Club Road and Bull Valley Road.

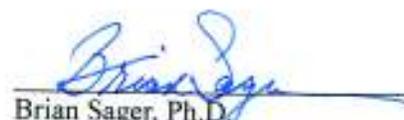

This project was included on the November 8, 2013 State Letting with bids received exceeding the IDOT approved estimate of probable cost. We have requested IDOT re-bid the project on the next possible State Letting and request additional STP funding to maximize the federal match funding.

We look forward to receiving your comments regarding this request for additional funding.
