- 4.0 **ON TO 2050 Draft Environment Chapter – Kristin Ihnchak, Nora Beck, and Jason Navota, CMAP staff**
Staff have developed a preliminary draft of the environment chapter for ON TO 2050. At this time, CMAP staff are seeking ENR Committee feedback on the overall structure, recommendations, and ideas presented in the draft chapter, rather than text edits and other small changes. Staff ask that ENR Committee members refrain from distributing copies of this PDF version until the revised version, which will be provided in MS Word, has been sent out after April 5. This will help us avoid collecting comments on multiple versions.
ACTION REQUESTED: Discussion
- 5.0 **ON TO 2050 Draft Transportation Chapter – Elizabeth Irvin, CMAP staff**
CMAP staff is distributing this working draft of the majority of the [ON TO 2050 mobility recommendations](#) to related CMAP committees, partners, and interested stakeholders for initial review. The final section of the mobility chapter, which will contain strategies related to fully funding the transportation system, enhancing the region's approach to transportation programming, and building regionally significant projects, is still undergoing revisions. This section will be part of the full draft that will be circulated for stakeholder review in early April.
