Re: Northeastern Illinois Greenways and Trails Plan 2009 Update

Thank you for your participation and input in the development of the Northeastern Illinois Greenways and Trails Plan, 2009 Update. The products, which include a map (with executive summary on the reverse) and a text document, have been published and are now available in print and on-line at <http://www.cmap.illinois.gov/greenwaysandtrails.aspx>. Also available on this site are an interactive map and a document describing the planning and public review process.

The following agencies and organizations will be receiving boxes of the folded maps, a couple flat maps, and the text document:

- *The Counties of Cook, DuPage, Kane, Kendall, Lake, McHenry, and Will.*
- *Forest Preserve Districts of Cook, DuPage, Kane, Kendall, Lake, Will, and the McHenry County Conservation District*
- *Chicago Park District*
- *CDOT*
- *Illinois Department of Natural Resources -George Bellovics, Dave Longo, and Dick Westfall (via Dave)*
- *Openlands Project*

- *NPS - Rivers and Trails*
- *Metropolitan Mayors Caucus*
- *Active Transportation Alliance*

For additional maps or text documents, contact Curtis Kelley at 312/386-8636, or ckelley@cmap.illinois.gov.
