

Draft GO TO 2040 plan update available for public comment

The Chicago Metropolitan Agency for Planning (CMAP) has initiated an update of the GO TO 2040 comprehensive regional plan, as required by federal law. The draft update will be available for public comment from **June 13 to August 1, 2014**.

CMAP will hold a series of public open house meetings throughout the region during the comment period. Each event will feature posters and plan update materials for review, as well as the draft 2014-19 Transportation Improvement Program (TIP), with comment cards available to leave input and CMAP staff on hand to answer questions. Residents may also review the plan and submit written comments at www.cmap.illinois.gov/about/2040/update/public-comment (web page goes live on June 13).
