Re: Public Comment Release: Draft GO TO 2040 plan update

Staff released a draft plan update for public comment on June 13, following meetings of the Board and MPO Policy Committee. Stakeholders and the public have had the opportunity to provide comment at a series of open houses over the summer and online at <http://www.cmap.illinois.gov/about/2040/update>. The official public comment period ends August 1, so the August meeting will be the last opportunity for committee members to comment on this draft.

The full draft plan update that was released for public consists of the following documents, which are available for your download and review in PDF form at the links below:

- GO TO 2040 [plan update summary](#) draft for public comment
 - Appendix: [Major Capital Projects](#)
 - Appendix: [Financial Plan for Transportation](#)
 - Appendix: [Socioeconomic Forecast Update Overview](#)
 - Appendix: [Implementation Action Areas](#)
 - Appendix: [Indicator Methodology](#)
 - Appendix: [Transportation Conformity Analysis](#)
 - Appendix: [Travel Model Documentation](#)
 - Appendix: Public Engagement Summary (available *following* the public comment period)

A summary of comments received and a revised full plan will be presented for discussion at the September committee meeting. It is anticipated that staff will seek a formal recommendation for MPO Policy Committee approval of the final plan update at the October 3 meeting.
