Mr. Charles J. Ingersoll
Director, Office of Planning and Programming
Illinois Department of Transportation
2300 South Dirksen Parkway
Springfield, IL 62764

Dear Mr. Ingersoll:

At its October 13, 2010 meeting, the Chicago Metropolitan Agency for Planning (CMAP) Board and the CMAP Policy Committee acting in its capacity as the Metropolitan Planning Organization for northeastern Illinois, found the *GO TO 2040 Comprehensive Regional Plan* and the *FFY 2010-2015 Transportation Improvement Program* in conformity with the State Implementation Plan and approved both GO TO 2040 and the TIP. The Board and Committee reached this decision considering the staff-conducted conformity analysis and the comments received during the public comment period. The conformity analysis is documented in the *Transportation Conformity Analysis* documentation.

We are transmitting links to the Plan, [TIP](#), and Conformity Documentation for your use and for transmittal to the Federal Highway Administration, Federal Transit Administration, U.S. Environmental Protection Agency and the Illinois Environmental Protection Agency.

If you have any questions on this matter, please call Donald P. Kopec at (312) 386-8725.

Sincerely,

Randall S. Blankenhorn
Executive Director
