# Collaboration in the Great Lakes Megaregion

GLRTOC Connected Centers Project August 2016

#### **GLRTOC Mission & Partners**

Founded in 2010

Improve cross-regional transportation operations in support of regional economic competitiveness and improved quality of life.

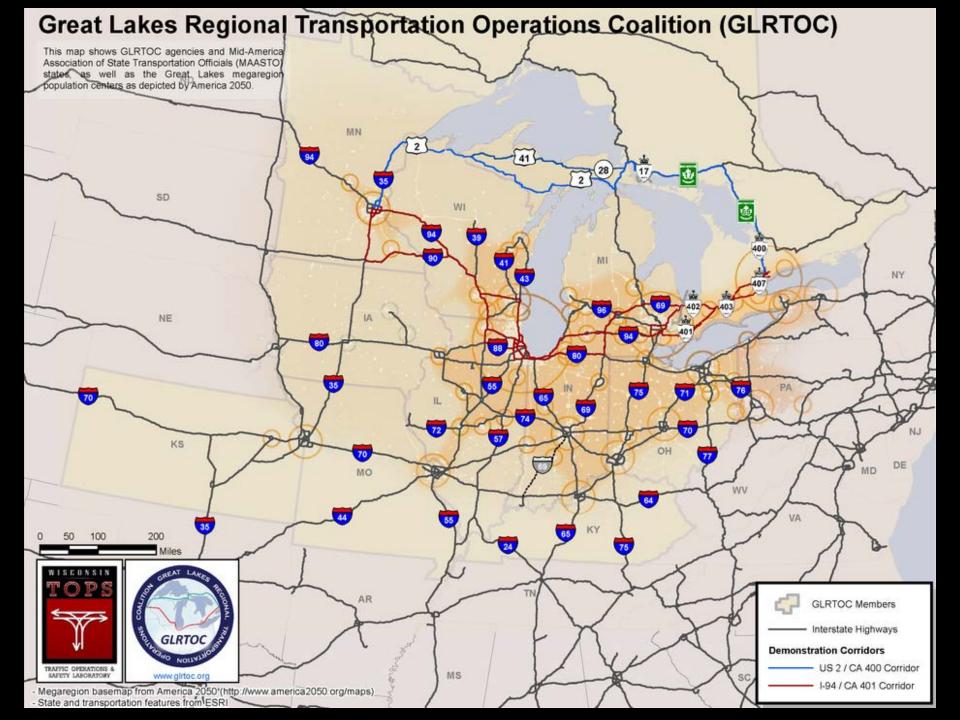

#### Lake Michigan Interstate Gateway Alliance (LMIGA)

- Founded 1993
- 1993–2006, Gary-Chicago-Milwaukee (GCM) ITS Priority Corridor
- Since 2006, broader operations and geographic extent
- Focus on traffic operations along major corridors in the greater Chicago region to improve safety and mobility
- Ongoing coordination between GLRTOC and LMIGA

#### Strategic Focus Areas

- Efficient freight operations
- 2. Reliable mobility
- 3. TIM / ETO

#### MCOM Current Project Areas

#### Work Zones

- Annual High Impact Work Zone Review
- Online Work Zone Mapping Application
- Work Zone Monitoring (Bluetooth)
- Smart Work Zones Best Practices

#### Traveler Information

- Gateway Expansion
- Gateway Enhancements
- Incident Alerts

#### Connected Centers

- Systems Engineering
- Operations Centers Profiles
- Operations Centers Information Exchange
- Gateway Automated Incident Response System (GAIRS)

#### Performance Management

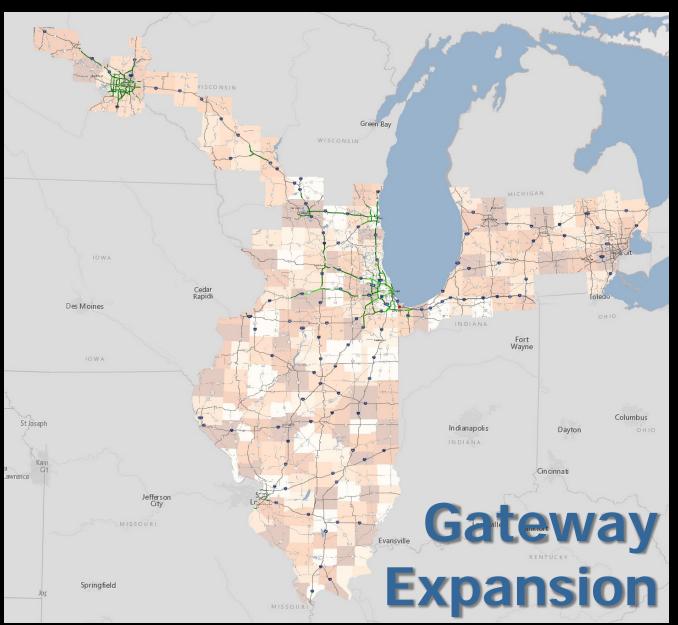

- MAP-21 Performance Measures
- Freight Mobility
- Work zone and weather impacts
- Monthly Reporting

### Traveler Information

- Gateway Expansion
- Gateway Enhancements
- Incident Alerts
- Gateway coverage extended to Minnesota farther into Michigan (and all of Illinois under separate funding)
- Enhancements to backend data, customizable reports, additional map presets
- Increased operations staff support
- High impact alerts
  - GLRTOC email alerts
  - Gateway Automated Incident Response System (GAIRS)

## Connected Centers

- Systems Engineering
- Operations Centers Profiles
- Operations Centers Information Exchange
- Gateway Automated Incident Response System (GAIRS)
- Systems engineering process and operations centers outreach pinned down requirements
- Three projects:
  - Online operations centers profiles
  - Improved information exchange
    - Online operations map and resources
  - GAIRS enhancements

#### Connected Centers

- Systems Engineering
- Operations Centers Profiles
- Operations Centers Information Exchange
- Gateway Automated Incident Response System (GAIRS)
- Deliverable 1: GLRTOC Connected Centers Information Resources

- TOC Profiles
- Standard Operating Procedures
- Deliverable 2: GLRTOC Connected Centers Information Exchange Tools
  - Role of Travel Midwest
  - Information Exchange Format
  - TOC Collaboration

## Connected Centers

- Systems Engineering
- Operations Centers Profiles
- Operations Centers Information Exchange
- Gateway Automated Incident Response System (GAIRS)

#### TOC Profiles Include...

- Contact Information
- Hours of Operation and Staffing
- Coverage Area by Major Interstates
- Traveler Information System Capabilities

| 2.22. Travel Midwest Gateway Traveler Information System (GTIS) |   |  |  |  |  |
|---|---|--|--|--|--|
| Address   | 201 West Center Court, Schaumburg, IL 60196  The Travel Midwest GTIS Operations Center is co-located with the IDOT District 1 Traffic Systems Center  |  |  |  |  |
| Primary<br>Contact <sup>1</sup>                                 |   |  |  |  |  |
| Secondary<br>Contact  | Not available   |  |  |  |  |
| Hours of<br>Operation   | 24/7  |  |  |  |  |
| Staffing  | Services are available and supported on all staffing shifts   |  |  |  |  |

Travel Midwest GTIS also covers all 102 counties in Illinois (21 counties as part of the GLRTOC).</li> </ul> |  |  |  |  |
| Services<br>Offered along<br>Major<br>Interstates               | Traveler Information Web Site: www.TravelMidwest.com Offers travel time, congestion, construction, special event, roadway conditions, incident, weather information, and long-term planning data on major projects.  An important resource to intelligently plan travel on the interstate highways and major limited access roadways.  Identifies road closures due to weather and other causes and frequently identifies alternate routes.  Travel advisories round out the information package.  Traveler Information App: Travel Midwest   |  |  |  |  |

# Connected Centers

- Systems Engineering
- Operations Centers Profiles
- Operations Centers Information Exchange
- Gateway Automated Incident Response System (GAIRS)

| Scenarios |   | Interaction Between Travel Midwest and Agency TOCs   |   |  |
|-----------|---|--|---|--|
|           |   | Areas with GTIS Coverage   | Areas without GTIS Coverage   |  |
| 1.        | Agency TOC sends events continuously and automatically to Travel Midwest via XML feed   | <ul> <li>Events are automatically posted and<br/>updated for Travel Midwest website as<br/>data sharing agreements allow</li> </ul>  | Unavailable   |  |
| 2.        | Travel Midwest receives event information via <b>XML feed</b> and a significant amount of time expires without any status updates                                 | <ul> <li>Travel Midwest calls or emails Agency TOC staff to inquire about event status</li> <li>Events may temporarily be manually posted and updated for Travel Midwest website</li> </ul>  | Unavailable   |  |
| 3.        | Travel Midwest receives no or intermittent event information from Agency TOC via XML feed   | <ul> <li>Travel Midwest calls or emails Agency TOC technical contact (not TOC operations contact) to investigate as time allows</li> <li>Events may temporarily be manually posted and updated for Travel Midwest website</li> </ul>                       | Unavailable   |  |
| 4.        | Agency TOC <b>calls or emails</b> event information to Travel Midwest   | <ul> <li>Agency TOC determines when necessary to<br/>supplement XML feed</li> <li>Events may be manually posted and<br/>updated for Travel Midwest website</li> </ul>  | Events may be manually posted and updated as "floodgate messages" on the Travel Midwest website (message only; no map coverage)   |  |
| 5.        | Travel Midwest receives initial <b>call or email</b> about an event from an Agency TOC and a significant amount of time expires without an update from Agency TOC | <ul> <li>Travel Midwest calls or emails Agency TOC staff to inquire about event status</li> <li>Events are manually updated for Travel Midwest website</li> </ul>  | <ul> <li>Travel Midwest calls or emails Agency TOC staff to inquire about event status</li> <li>"Floodgate messages" are manually updated for Travel Midwest website</li> </ul> |  |
| 6.        | Travel Midwest becomes aware of a significant event and has not received a call or email from Agency TOC  | <ul> <li>Travel Midwest emails Agency TOC to inquire about event</li> <li>If no response after 15 minutes, Travel Midwest calls Agency TOC to inquire about event</li> <li>Events may be manually posted and updated for Travel Midwest website</li> </ul> | Unavailable   |  |

#### **Upcoming Events**

Sep 21, 2016: GLRTOC Annual Meeting, Louisville

Sep 22-23, 2016: ITS Midwest Annual Meeting, Louisville

Oct TBD, 2016: TOC Collaboration Quarterly Meeting

Oct 24-25, 2016: Mid-Continent Transportation

Research Symposium, Madison
