MEMORANDUM

To: CMAP Board and Committees

From: CMAP Staff

Date: November 2, 2016

Re: ON TO 2050 Update

The CMAP Board and committees receive regular detailed updates on the various components of ON TO 2050 plan development that are most relevant to them. Since the volume of work associated with plan development is too large for every committee to learn about every component individually, this bi-monthly memo provides a brief status update on all major ongoing elements of plan development, including links to recent presentations and interim or final products when available. Projects that appear in this document for the first time, or that were recently completed, are noted and highlighted in italics.

			digital public engagement tools to assist with outreach during summer of FY17 has begun. Detailed ON TO 2050 communications and engagement plans for FY17 and FY18 are also in development.
Data and tool development	Zach Vernon	Ongoing	Staff assembled documentation for datasets and tools generated in FY16, and coordinated with snapshot managers and communications staff to release tabular data from completed snapshots on the CMAP Data Hub . Continued to develop analytical tools and data products to inform topical research. Outputs for the tax policies and land use trends strategy paper included standardized tax district boundaries using 2014 parcel/assessor data for 3 counties.
Financial plan	Lindsay Hollander	Ongoing	Outreach with experts is taking place to flesh out expenditure forecasting assumptions. Draft revenue forecasts are underway.
Layers	Kristin Ihnchak	Ongoing	A scan of local plans for reinvestment priorities was completed and the layers team is working with the local area allocation team to incorporate the findings, along with identified infill opportunity areas, into the forecast tool. The conservation layer team completed a review of other organizations' schemes for identifying high quality natural areas and is in the process of applying thresholds to conservation data to obtain preliminary conservation maps.
Outreach activities	Jane Grover	Ongoing	<p>The ON TO 2050 Big Ideas Forum Series is continuing with the third, fourth, and fifth events:</p> <ol style="list-style-type: none"> 1) September 22: Have we reached peak driving? 			<p>County Board Member, will serve on the panel to take place at the Two Brothers Roundhouse in Aurora.</p> <p>Planning has begun for CMAP's sixth forum – on transportation technologies – in early 2017. Staff will maintain continuing contact with the over 250 regional organizations engaged in the first phase of public outreach, as well as expand the agency's network to build new partners and allies. Finally, staff has begun to craft outreach strategies for public engagement for the scenario development phase of ON TO 2050 plan development in 2017.</p>
Regionally significant projects	Jesse Elam	Ongoing	The public call for projects ended on October 31. Staff will brief TC on project ideas and comments received at its November meeting.
Scenario development	Liz Oo	Ongoing	<p>A memorandum was created to introduce five possible futures on which to focus research, analysis, and public engagement. In September and October, staff presented these futures to the Economic Development, Environment and Natural Resources, Housing, Land Use, and Transportation Committees, as well as the Council of Mayors. In October, staff hosted a working session with representatives from the media to discuss the five futures and ON TO 2050. Staff has also begun initial discussions with the consultant about interactive visual engagement tools.</p>
Socioeconomic forecast	David Clark	Ongoing	Staff reviewed and commented on the draft regional forecast final report and (with consultant) presented 2050 forecast totals to the working committees and the Regional Coordinating Committee. Staff gave an introductory presentation about the local allocation tool to working committees and is working with the consultant on refining the tool and developing the necessary data inputs.
