233 South Wacker Drive, Suite 800
Chicago, Illinois 60606

Dear Mayor Schielke,

The North Shore Council of Mayors respectfully requests that the Council of Mayors Executive Committee approve the request for advanced funding in the total amount of **\$2,776,384** in federal Surface Transportation Program (STP) dollars for FFY 2018 at your July 18, 2017 meeting.

The request is for following projects: Northfield Road Reconstruction in Northfield (TIP ID 02-16-0014) for **\$89,687** in STP funds, \$128,125 total; Central Avenue in Wilmette (TIP ID 02-13-0004) for **\$372,414** in STP funds, \$517,734 total; Austin Avenue and Oakton Street intersection improvements in the Village of Morton Grove (TIP ID 02-13-0002) for **\$2,314,283** in STP funds, \$3,900,747 total. This project previously received advanced funding in FFY2017, however, it was delayed and is now targeting the November 17, 2017 IDOT construction letting. Therefore, the previously approved advanced funding will not be needed.

The Council is requesting a total of **\$2,314,283** in federal STP dollars for construction and construction engineering and a total of **\$462,101** in federal STP dollars for Phase II Engineering.

CMAP has indicated that the region has an unspent balance of STP dollars that need to be programmed. The Council looks forward to moving this project forward.

If you have any questions or require any additional information on this request, please feel free to contact me at 847 296-9200 ext. 128. Thank you for your consideration.
