

Chicago Metropolitan Agency for Planning Employee Benefits Plan

CMAP's goal is to offer a comprehensive yet flexible benefits package that helps our employees to live more fully engaged and healthy lives. We realize that an inclusive benefits program that is of value to both you and your family is an important part of your total compensation. CMAP's benefit plan also provides options so that employees can structure their benefits to meet their needs today and to adjust them as their needs change. This booklet provides you with an overview of your benefits as a CMAP employee. Detailed information about each plan can be found on CMAP's intranet under the benefits tab.

THE GOALS OF OUR BENEFITS PACKAGE

CMAP annually evaluates our benefit program to make sure we accomplish the following goals:

- Provide cost effective and competitive health coverage
- Promote health and wellness among our employees and their families
- Provide financial and other resources to support employees and their families through the various stages of their lives

YOUR BENEFITS ARE PAID FOR WITH PRE-TAX DOLLARS

CMAP has a pre-tax deduction plan that allows us to take your deductions from each paycheck prior to taxes being deducted. This in turn lowers your taxable income. (This plan is within Section 125 of the IRS Code.)

BENEFITS ELIGIBILITY

All regular full-time employees, working a minimum of 30 hours a week, are eligible to participate in CMAP's benefits.

Leave

CMAF believes that spending time away from work to recharge is a crucial part of being a fully engaged and healthy employee.

Leave with pay for regular full-time employees accrues at the following rates.

Vacation

1-4 years service	12 days/year
5-8 years service	15 days/year
9-12 years service	18 days/year
13-16 years service	21 days/year
17 + years service	24 days/year

A maximum of 30 days of vacation may be accrued. Once you reach the maximum of 30 days, no additional time will be accrued until your balance is below 30 days.

Holidays

CMAF observes 11 paid holidays per year as listed below.

Weekday	Date	Holiday
Monday	January 2, 2017	New Year's Day
Monday	January 16, 2017	Martin Luther King Day
Monday	February 20, 2017	President's Day
Monday	May 29, 2017	Memorial Day
Tuesday	July 4, 2017	Independence Day
Monday	September 4, 2017	Labor Day
Monday	October 9, 2017	Columbus Day

Thursday	November 23, 2017	Thanksgiving Day
Friday	November 24, 2017	Day after Thanksgiving
Monday	December 25, 2017	Christmas Day

Sick Leave

Sick leave is accrued at one day per month. There is no limit on the amount of sick leave that can be accrued. Sick leave is not paid out upon separation. For employees hired prior to June 1, 2014, any unused sick leave will be reported to appropriate retirement program for inclusion in the calculation of your future pension.

Parental Leave

Two weeks of paid time off is available for maternal or paternal leave for the birth or adoption of a child. Parental Leave must be taken within the first 12 months after birth or adoption. It can only be used in weekly increments.

Personal Business Days

All regular full-time employees receive three Personal Business days at the beginning of each calendar year. Personal days must be used within the year earned and are not paid out upon separation. Days will be prorated for any employee hired after January 1.

Employee Development

Education and professional growth is encouraged and supported for CMAP employees.

Tuition Reimbursement

Tuition reimbursement is eligible to all full-time employees who have completed their first six months of employment and wish to pursue a degree program that enhances CMAP goals. The employee must have received a performance rating of “exceeds expectations” or “superior” on their last evaluation to be eligible. As of calendar year 2016, up to \$5,250 of educational costs or reimbursements is non-taxable and can be requested. Costs over \$5,250 are not supported or reimbursable.

Grade A	80% up to \$2,500
Grade B	60% up to \$1,850

Pre-Approval:

Approval each semester/quarter is required and is based on funding availability and course relevance.

Reimbursement:

Reimbursement is for tuition* and cost of books less any scholarships, grants or military benefits received. Associated fees are not reimbursable.

**If a private university is attended, reimbursement will be equivalent to cost at UIC using the criteria above.*

Conference/Training

All full-time employees are eligible to participate in or attend work-related conferences or training. Participation requires prior management approval. Approval is based on priority and available funding.

Certification/Licenses and Association Dues

All full-time employees are eligible for professional certification and/or license reimbursement. Reimbursement requires prior management approval. There is a maximum of \$250 per calendar year per employee.

The chart on the opposite page shows what each medical insurance plan offers. The chart below shows how much employees and CMAP will contribute depending on the plan chosen.

CMAP employees have three options when choosing major medical insurance. **Health Maintenance Organizations (HMOs)** require you to choose and register with a Primary Care Physician who must then refer you for visits to specialists and hospitals to ensure you remain within the HMO network. **Preferred Provider Organizations (PPOs)** offer more flexibility to see out-of-network doctors but encourage you to stay in-network by charging you less out-of-pocket to

visit in-network doctors or hospitals. Finally, a **High Deductible Health Plan (HDHP)** with **Health Savings Account (HSA)** allows you to see any doctor, but offers the biggest savings for trips to doctors in the network. In this plan, services designated as preventative are 100 percent covered, and other services are not covered until your annual deductible is met. You can combine an HSA with this plan to save money for qualified out-of-pocket medical expenses and deductibles tax-free.

Mutual of Omaha

Short- and Long-Term Disability

Carrier: Mutual of Omaha

Website: www.mutualofomaha.com

CMAP currently provides disability insurance coverage for full-time employees at no cost to the employee.

Short-Term Disability (STD) Program

If you become ill or suffer an injury that prevents you from working, this form of disability insurance replaces a portion of your income for a defined maximum period of time.

- STD benefit begins after 0 days of injury or 7 days of illness
- STD benefit pays up to 60% of pre-disability earnings to a maximum of \$1,500 per week
- No cost to employees

Long-Term Disability (LTD) Program

If you become ill or suffer an injury that prevents you from returning to work for an extended period of time, this program will replace a portion of your income for a defined period of time.

- LTD benefit begins after 90 days of continuous injury or illness
- LTD benefits pays up to 60% of pre-disability earnings to a maximum of \$7,500 per month
- No insurance premium cost to employees

Other Benefits

Retirement

As a CMAP employee, you will be enrolled in a statewide retirement fund. You'll also have access to optional resources to support financial well-being and a good work-life balance.

As a full-time, benefits-eligible employee of CMAP, you are automatically enrolled and required to participate in a state retirement fund — the Illinois Municipal Retirement Fund or IMRF. You also have the option of contributing to a 457 Deferred Compensation Plan, which allows you to contribute a portion of your salary on a pre-tax basis to your choice of investment options.

IMRF is different from a traditional 401K in a few significant ways:

- Employees are required to contribute 4.5 percent of their gross income
- CMAP contributes a variable rate, in 2017 it is 7.88 percent of your gross income, for each employee per pay period
- Employees hired after 2011 are vested after 10 years of employment
- Once eligible, an employee's retirement benefits last from retirement until death

IMRF benefits after one year of service currently include a death benefit equal to one year's salary plus the return of member contributions, surviving spouse and disability benefits, as well as retirement benefits. Contributions are treated as deferred compensation for tax purposes. Vesting in the program occurs after eight years of service unless your initial enrollment into IMRF was after January 1, 2011, which put you on a 10-year vesting schedule.

In 2007 state legislation was passed to allow state employees who accepted employment with CMAP, a one-time selection of remaining with the State Retirement System (SERS) instead of participating in IMRF. SERS requires an employee contribution of 4% of their gross income.

For more detailed information, see Human Resources using contact information at the back of this book.

Employee Assistance Program

The EAP provides staff with a 24-hour toll-free hotline to call for guidance on personal or work-related issues. Please contact Human Resources for more details.

Flexitime

Employees have an opportunity to participate in a flexible work schedule which allows the 75-hour pay period to be completed in 9 days during the two-week pay period, working no more than 9 hours/per day (not including lunch), provided there is advance approval by the department deputy director.

Voluntary Benefits

AFLAC

All full-time employees are eligible to participate in the voluntary plans offered by Aflac: Accident Indemnity Advantage, Cancer Care and Hospital Protection. Aflac pays employees cash benefits directly (unless assigned) if they or a family member are sick or injured. This can include payments to help cover things that major medical insurance doesn't cover, such as out-of-pocket medical costs and everyday living expenses during illness. Aflac policies are 100% employee-paid as a voluntary payroll deduction.

Deferred Compensation

A 457 Deferred Compensation Plan is a supplemental retirement savings program that allows you to make contributions on a pre-tax basis. Federal and, in most cases, state income taxes owed on these contributions are deferred until your assets are withdrawn, usually during retirement when you may be in a lower tax bracket. Most 457 Deferred Compensation Plans allow you to increase, decrease, stop, and restart contributions at any time.

CMAP offers the option to invest in a 457 Deferred Compensation Plan through Principal Financial Group. Staff members who enroll in this program elect to have a certain percentage or amount of the pay "deferred" on a pre-tax basis until retirement. Employees may enroll or make changes to their contribution amounts or investment choices at any time. The maximum annual deferral amount for 2017 is \$18,000 and the catch-up maximum is \$6,000. Please contact Human Resources for more details.

Flexible Spending Accounts

Carrier: FlexSave of America

Effective: 01/01/2017 through 12/31/2017

Website: www.flexsaveamerica.com

Phone: 888-231-1363

FlexSave of America administers our flexible spending accounts (FSA). The plan provides tax savings to the employee by reducing employee medical premiums and medical or dependent care elections from gross salary prior to calculation of federal income and social security taxes. Since taxable income is reduced by the amount contributed, employees pay less in taxes, and have more take-home pay. Reimbursement is available by a FlexSave credit card, check, or direct deposit.

- **Healthcare** — a healthcare reimbursement account is available for those individuals who are interested in having money deducted from their paycheck pre-tax and put into an account for medical expenses not covered under any insurance plan. The maximum pre-tax benefit is \$2,600 annually.
- **Dependent Care** — a dependent care reimbursement account is available for those individuals who are interested in having money deducted from their paycheck pre-tax and put into an account for eligible dependent care expenses. The maximum pre-tax benefit is \$5,000 annually.

If you participate in the Healthcare Savings Account (HSA), you can only participate in the limited “healthcare” FSA for dental and vision. Please contact Human Resources for more details.
