

ON TO 2050 Plan Update

Coordinating Committee
June 9, 2021

ON

TO

2050

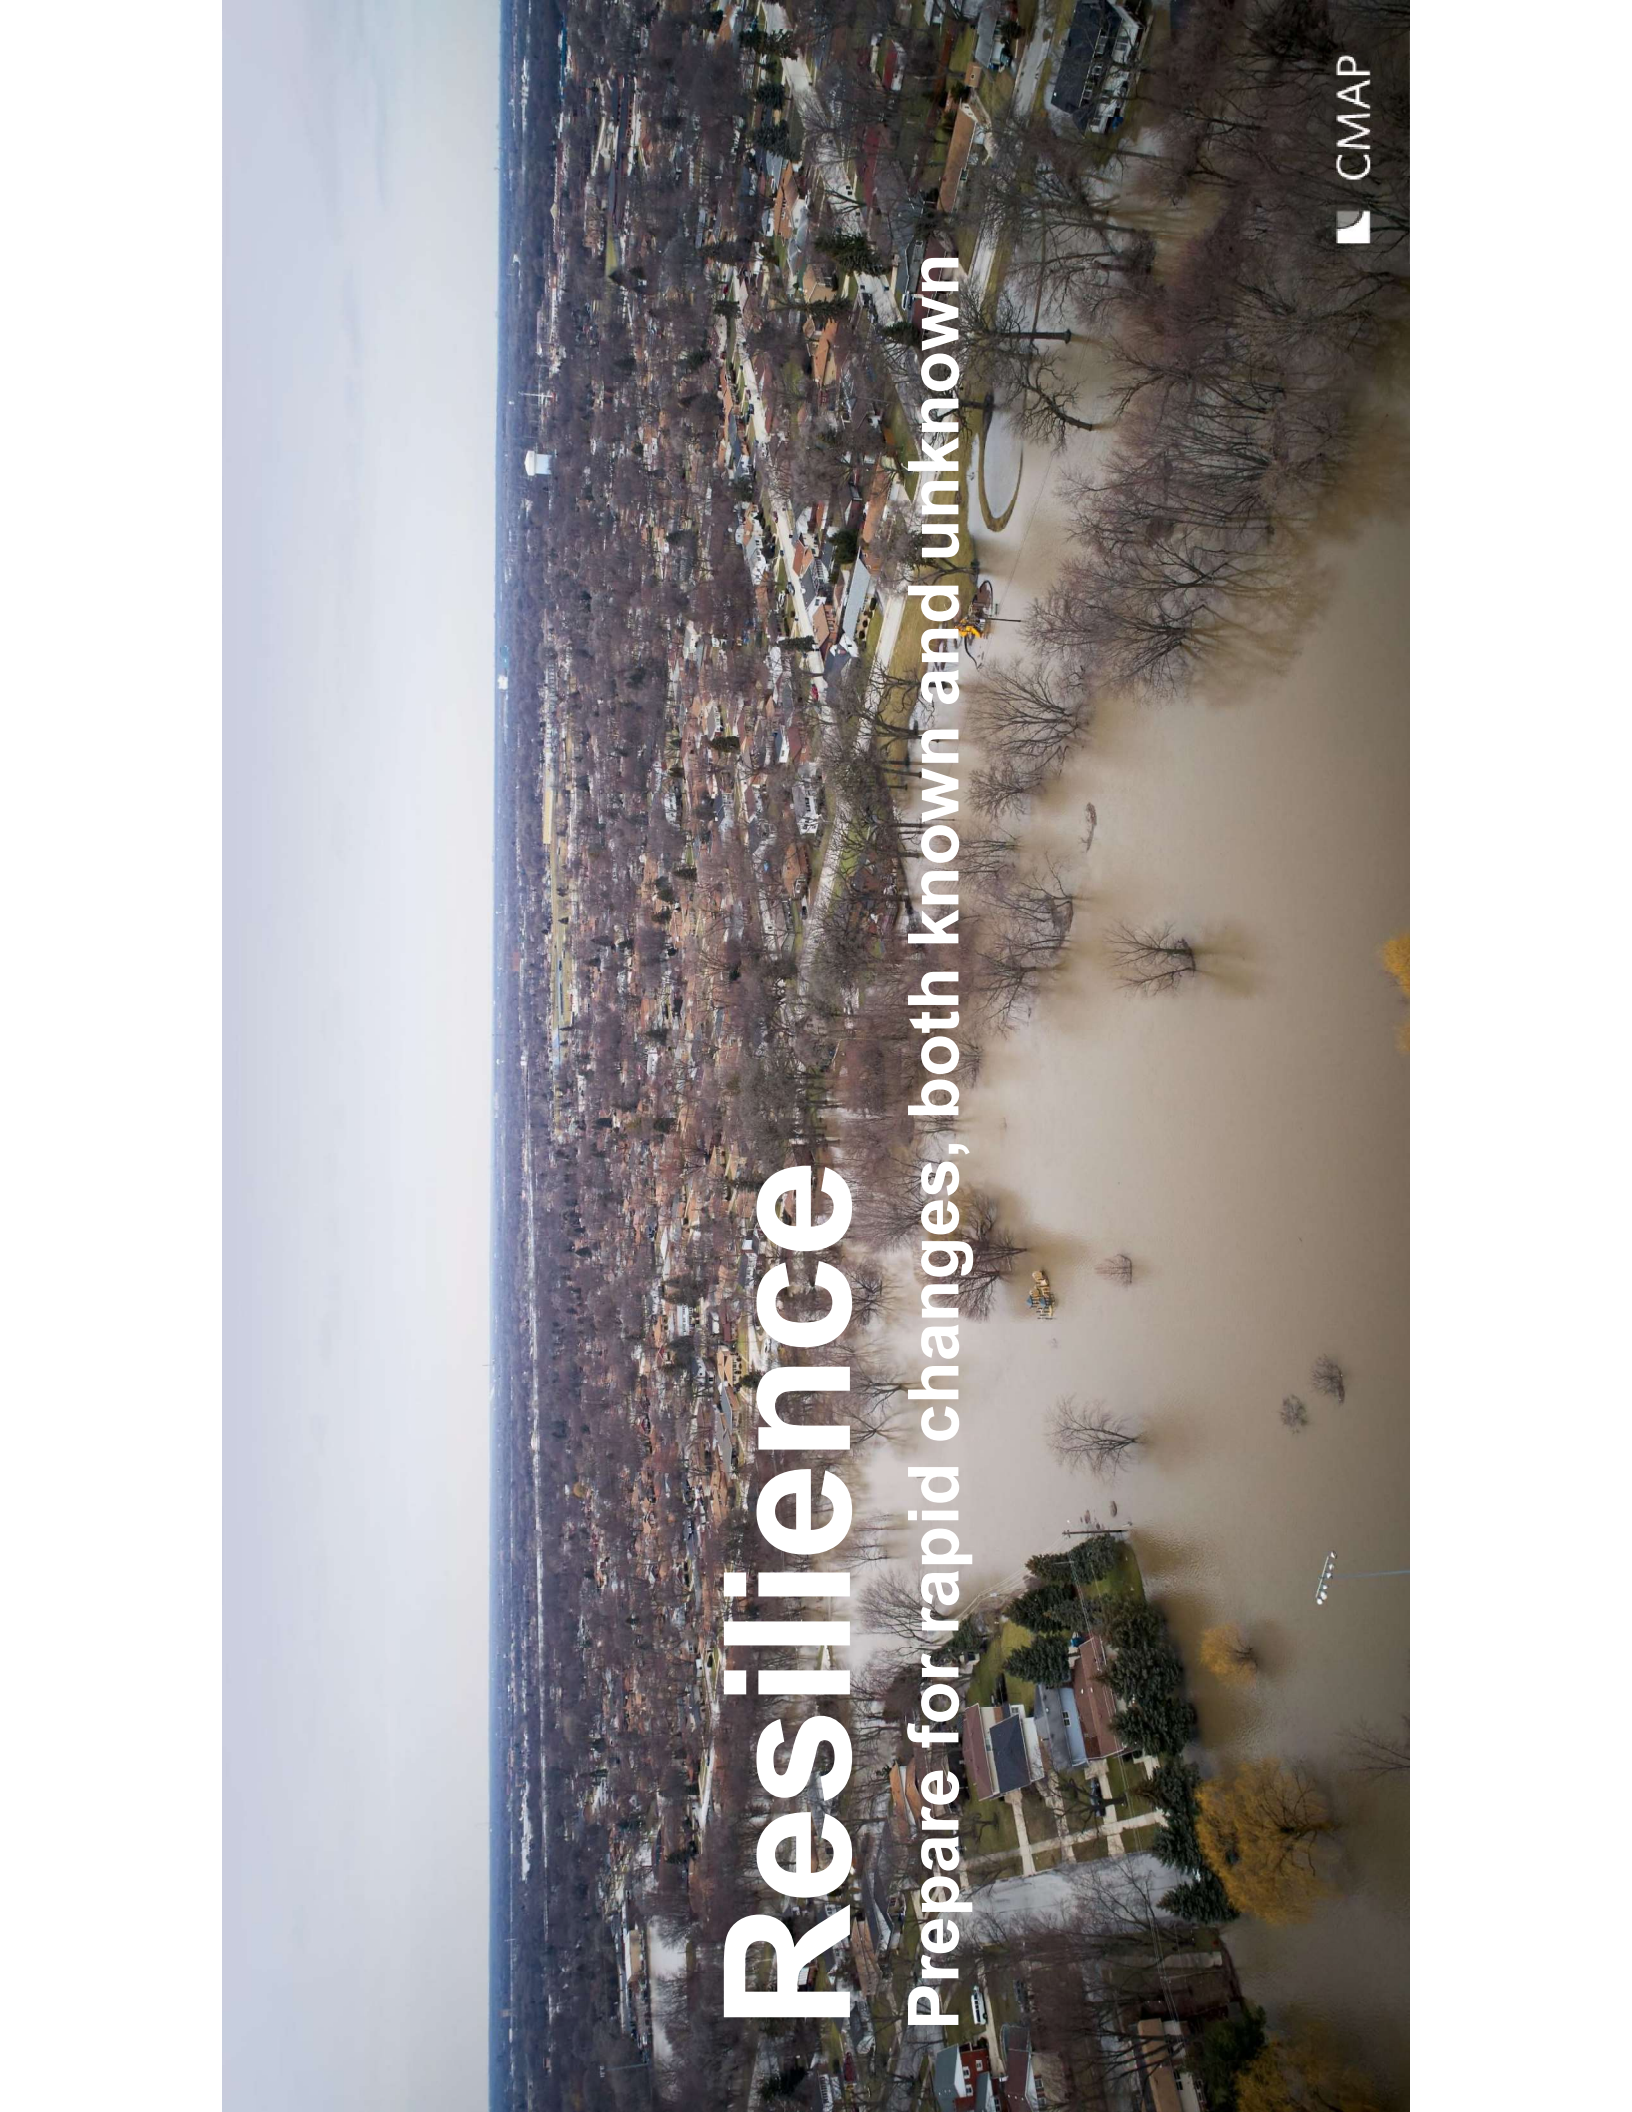

Inclusive Growth

Grow the economy through opportunity for all

Resilience

Prepare for rapid changes, both known and unknown

Prioritized Investment

Target resources to maximize benefits

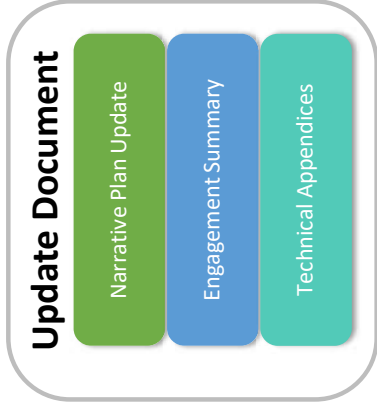

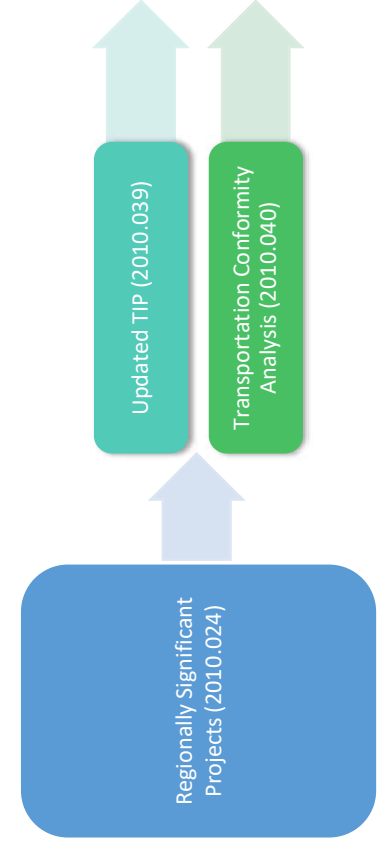

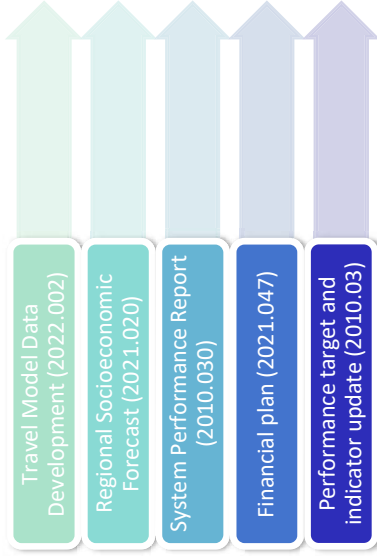

Plan Update

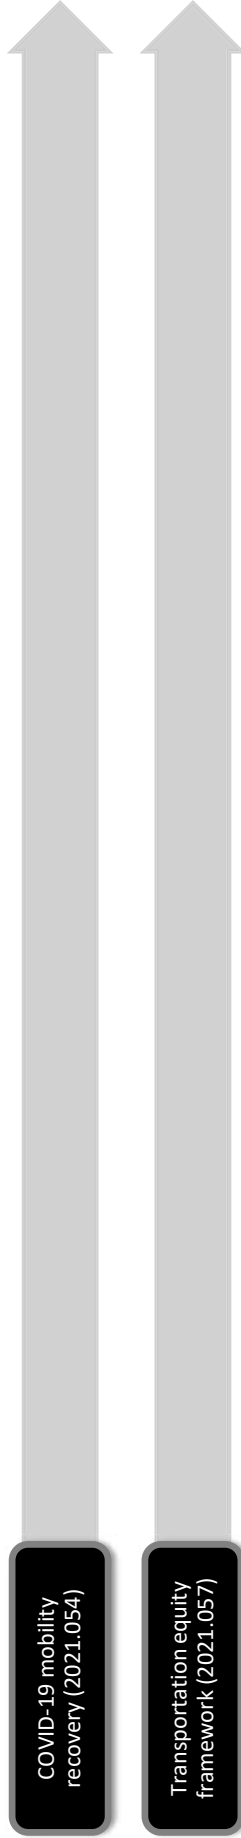

An update to our regional comprehensive plan is required at year 4, in October of 2022.

Topics to be addressed in the update include policy shifts, changing mobility, technical updates, the financial plan, targets and performance measures, and evaluation of Regionally Significant Projects.
