- 3.0 Approval of Minutes – April 15, 2019**  
ACTION REQUESTED: Approval
- 4.0 Freight Fluidity Monitoring Program**  
FHWA and partners are developing a national freight fluidity supply chain monitoring program. The effort aims to understand the end-to-end performance of an individual freight trip or shipment moving across multiple modes and jurisdictions by focusing on supply chains and adding the perspectives of shippers, carriers, and receivers. Program representatives will provide an overview of the effort and the analytical tool being developed.
- 5.0 Lincoln Highway Logistics Corridor Strategic Plan**  
Completed in August 2018, Cook County's Lincoln Highway Logistics Corridor Strategic Plan resulted in a prioritized list of industrial development sites in the disinvested communities of Chicago Heights, Ford Heights, and Sauk Village, leveraging the corridor's longstanding industrial character and robust access to rail and highway facilities. Cook County staff will present on the development of the Strategic Plan, as well as the ongoing interjurisdictional effort to implement the plan's recommendations.
- 6.0 Responding to the Growth of E-commerce**  
Over the coming year, CMAP staff will be investigating the impacts of e-commerce on transportation, land use, and the environment.

Continued growth in e-commerce will impact warehousing and distribution centers, traditional retailers, as well as the transportation network. The region can benefit from e-commerce, but must also plan for its potential negative impacts. Staff will explain the purposes of this project and request committee feedback on priorities for research.

**7.0 Grade Crossing Prioritization**

A working group of regional and state agencies has evaluated the region’s railroad crossings to identify priorities for grade separation or crossing improvements. Staff will present the results of this analysis.

**8.0 Other Business**

**9.0 Public Comment**

This agenda item is an opportunity for members of the audience to comment. The Chair will have discretion to limit discussion.
