

MEMORANDUM

Re: CMAP-MPO Policy Committee

Per the Memorandum of Understanding (MOU) between CMAP and the MPO Policy Committee, it is to be updated periodically but no less than every four years. It was last updated in October 2017.

Since that time, the CMAP Board has approved the committee changes that are not reflected in the MOU. The attached proposed edits update the Committee Reporting section. They also make other minimal substantive, grammatical, and stylistic changes, which are summarized below.

- Amend references to the “Policy Committee” to be the “MPO Policy Committee”, which is consistent with the MPO Policy Committee By-Laws, CMAP’s website, and CMAP practice.
- Revise the title of the top level of the committee structure to be called the “governing” level rather than the “policy” level, which more accurately reflects the CMAP Board and the MPO Policy Committee functions and avoids confusion with the use of the word policy in the MPO Policy Committee title.
- Provide descriptions for the coordinating and working committee levels that are more flexible to allow the CMAP Board to change their composition without requiring an MOU update.
- Clarify that the Transportation Committee is a working committee and its relation the MPO Policy Committee, as stated in the MPO Policy Committee By-Laws.
- Capitalize “Board” when referring to the CMAP Board.

- Include a reference to the “Regional Planning Act” and deletes an historical reference to the “Regional Planning Board”.

The CMAP Board discussed the MOU at its May 2019 meeting. CMAP staff is seeking approval from the Policy Committee on June 13, 2019 and is asking the Board for approval at the June 19, 2019 meeting.

Memorandum of Understanding
Between the Chicago Metropolitan Agency for Planning
and the [MPO Policy Committee](#)
Encompassing Transportation Planning and Programming in
Northeastern Illinois

—

This agreement is entered into by the Chicago Metropolitan Agency for Planning (CMAP) as the state-designated comprehensive regional planning agency and the Policy Committee serving as the federally designated metropolitan planning organization ([MPO Policy Committee](#)) for northeastern Illinois.

The Chicago Metropolitan Agency for Planning and the region's [MPO Policy Committee](#) recognize the desirability and absolute necessity of the region's planning for land use and transportation to remain integrated in an open and collaborative process in which socioeconomic and environmental objectives are appropriately considered. Furthermore, the entities affirm their intent to continue and strengthen the cooperative and productive relationship, which currently exists between them.

The two bodies wish to provide a framework that will help our region connect its land use to the transportation system, preserve its environment and sustain its economic prosperity. Both the CMAP ~~Board~~ and the [MPO Policy Committee](#) must be responsive to the region's residents, working cooperatively with municipalities and counties that maintain authority for local land-use decisions.

CMAP has established a four-level committee structure: ~~policygoverning~~, advisory, coordinating, and working. At the ~~policy-governing~~ level, the CMAP ~~B~~board and the MPO Policy Committee will review staff and committee work to ensure that consistency and consensus are achieved.

The Citizens' Advisory Committee (CAC), the Council of Mayors, and a committee made up of county officials will together comprise the advisory level. The Council of Mayors will continue ~~its current relationship to consider and assist in making recommendations on transportation funding allocations -that fall within~~ with the MPO Policy Committee's responsibilities, ~~while at the same time and also~~ serve as a municipal advisory body to the CMAP board.

The CMAP Board may change the number and structure of committees at the coordinating level depending on the agency's needs.

Working committees will provide input on CMAP staff work products, recommendations, and policy proposals.

The Transportation Committee for CMAP, will ~~serve as a working committee for both~~ ~~continue its current reporting relationship to the~~ CMAP Board and the MPO Policy Committee. Per the MPO Policy Committee by-laws, unless otherwise directed, the Transportation Committee will consider recommendations and policy decisions prior to MPO Policy Committee action. —The MPO Policy Committee and the CMAP ~~B~~board will jointly determine the structure and member organizations of the Transportation Committee. ~~The Transportation Committee will also provide input to the two coordinating level committees of the CMAP board: Planning and Programming.~~—The MPO Policy Committee will appoint the chair and vice-chair of the Transportation Committee. ~~The chair and vice-chair will each serve on one of the coordinating committees.~~—
