- **Agenda Changes and Announcements**
- **Approval of Notes—July 17, 2013**
ACTION REQUESTED: Approval

- **GO TO 2040 Update**

GO TO 2040 was adopted by the CMAP Board in October of 2010 and serves as the metropolitan transportation plan for the 7-county Chicago region. The Moving Ahead for Progress in the 21st Century (MAP 21) Act was signed into law in 2012, funding surface transportation programs through June of 2014. The law requires that GO TO 2040 be updated by October of 2014. The update will not involve revising the policy recommendations of the existing plan. The financial plan, major capital projects, and implementation action areas will be updated.

Andrew Williams-Clark (CMAP) will present a brief overview of the update process.

ACTION REQUESTED: Information and Discussion.

- **Proposed Amendment to GO TO 2040 – Illiana Corridor**
The August 2, 2013, CMAP Weekly Update email begins with the following item:

GO TO 2040 comment period. CMAP seeks comment on a [proposed amendment](#) that would add the [Illiana Corridor](#) project to the GO TO 2040 comprehensive regional plan list of fiscally constrained projects. The 32-day comment period lasts from August 2 to September 3, 2013. The Board and MPO Policy Committee are scheduled to vote on the amendment in October. In addition, a [conformity amendment](#) to the FFY 2010-15 [Transportation Improvement Program \(TIP\)](#) has been released for comment through September 3, 2013. See the CMAP website for a description of [conformity](#). To comment on either the GO TO 2040 or TIP amendments, please write to CMAP, ATTN Plan and TIP

amendments, 233 S. Wacker Dr., Suite 800, Chicago IL 60606. Comments can also be made via CMAP by [e-mail](#), or phone (312-454-0400).

In particular, we encourage you to review the CMAP staff analysis of Illiana (linked in the above Weekly Update item as "proposed amendment") prior to our meeting. To encourage input before the comment period ends, CMAP policy staff will make a presentation to each working committee, including our committee's next meeting on August 20. Your discussion will prepare the Land Use Committee's representative to the Regional Coordinating Committee to vote on this item at the coordinating committee's October 9 meeting.

CMAP is committed to this public process through which amendments to the GO TO 2040 comprehensive regional plan are studied carefully before the Board and MPO Policy Committee make the final determination, which is scheduled to happen in October. Note that the staff analysis should not be interpreted as the staff recommendation, which is what will be presented to the Board and MPO Policy Committee in October, after the public comment period ends on September 3.

ACTION REQUESTED: Information and Discussion.
