Homepage: Desktop / Video Player

The screenshot shows a desktop browser window with a video player. The webpage content includes the CMAP logo, a search bar, and navigation links for 'ONTO 2050' and 'Import Investments in Transportation'. A 'Watch on YouTube' link is also present. The main content area features a video player with a play button and a progress bar. The video shows an aerial view of a modern cable-stayed bridge over a road with trees. The video player interface includes standard controls like play, pause, volume, and full screen. The video title is 'Assistance (LTA) projects' and the channel is 'CMAP Citizen Advisory Committee'. The video duration is 0:24 / 3:23.
