

## FUTURE LEADERS IN PLANNING 2020 VIRTUAL SUMMER SERIES

Are you a high school or college student who wants:

- To have better parks?
- To have better housing in your community?
- To know how water resources are managed?
- To make life better for you, your family, or your community?

**Be a part of the 2020 Virtual Future Leaders in Planning Summer Series!**

Future Leaders in Planning (FLIP) is a leadership development opportunity offered free-of-charge to students who can contribute ideas to help create a better future for our region. Participants in the 2020 summer series will learn about the northeastern Illinois region and share their thoughts with other students from Cook, DuPage, Kane, Kendall, Lake, McHenry, and Will Counties. Participants will interact virtually with regional leaders who make key planning decisions in our communities.

To learn more, visit:
