REQUEST FOR QUALIFICATIONS

(RFQ) NO. 245

COMMERCIAL OFFICE LEASING BROKERAGE SERVICES

The Chicago Metropolitan Agency for Planning (CMAP) is seeking proposals from qualified brokers who have significant experience in commercial leasing in the Central Business District of downtown Chicago. Considering the unique development challenges (historical preservation requirements and exclusive use provisions) of the Old Post Office, experience in leasing and negotiations with the Old Post Office representatives would be preferred, but not required.

CMAP invites qualified brokers to submit proposals, as described in this scope of work. Please read each section carefully for information regarding the proposal and submittal instructions.

SECTION 1: Background and General Information

About CMAP

The Chicago Metropolitan Agency for Planning (CMAP) is our region's official comprehensive planning organization. The agency and its partners have developed ON TO 2050, a comprehensive plan that builds upon its predecessor GO TO 2040, to help the seven counties and 284 communities of northeastern Illinois implement strategies that address community, prosperity, the environment, governance and mobility. See www.cmap.illinois.gov for more information.

General Information

As a result of responses to this RFQ, CMAP plans to review submissions and conduct interviews with selected brokers it determines can best meet the requirements outlined below. Negotiations will be held on both the scope and the cost to select the broker that CMAP believes can best satisfy its requirements at rates it perceives are reasonable for the services provided. Subject to "Reservation of Rights" below, it is anticipated that a contract will be awarded for the work described. The contract awarded will be for a period ending 12-18 months from final contract signing.

SECTION 2: Scope of Project and Procurement Details

Project Background

The Chicago Metropolitan Agency for Planning (CMAP) is inviting proposals from qualified commercial real estate brokers to provide commercial/office leasing brokerage services. The selected firm ("Broker") will serve as the sole and exclusive broker for the purpose of subleasing or leasing 4,632 rental square feet of unimproved/undeveloped space on the 5th floor in the North Building of the Old Post Office (located 433 W. Van Buren Street, Suite 555, Chicago, IL.) on behalf of CMAP ("Client"). CMAP entered into a fifteen-year lease, commencing September 1, 2020 and terminating on August 31, 2035. This space was initially intended to serve as conference room space for the CMAP's offices located on the 4th floor in the North Building of the Old Post Office. With the redesign of the 4th floor to maximize space, CMAP no longer requires the use of the space on the 5th floor and is interested in leasing or subleasing the space. Tenant improvement (TI) cost may be available to potential tenants as an incentive to lease or sublease the space.

Scope of Services

CMAF is seeking proposals from qualified brokers who have significant experience in commercial leasing in the Central Business District of downtown Chicago. Considering the unique development challenges (historical preservation requirements and exclusive use provisions) of the Old Post Office, experience in leasing and negotiations with the Old Post Office representatives would be preferred, but not required.

CMAF is seeking full turnkey broker representation that would include conducting various commercial real estate market analysis, floor plan designs, marketing space, and negotiating agreements between CMAF, landlord and a third-party tenant. Such services may include renegotiating existing leases and/or subleasing existing space on behalf of CMAF.

The successful broker's responsibilities shall include but not be limited to:

- Conducting various market analysis to provide insight to Client on the Central Business District commercial real estate market (strengths, weaknesses, challenges, opportunities, rent rates – gross and net, landlord incentives, COVID 19 impacts, lease negotiation trends, etc.)
- Preparing floor plan designs for the Client to determine marketing strategy and understand curb appeal and highest and best use of space for potential tenants;
- Advertising, marketing, and online marketing to include a virtual tour, photo gallery, and promotional video as deemed necessary; this includes listing the commercial space in the available MLS database;
- Coordinate showing the commercial space to prospective tenants or with other brokers for their clients to view the space;
- Advising prospective commercial space tenants on proposal submission to the Client;
- Advising the Client on negotiations and lease terms as appropriate;
- Advising the Client about tenant improvements that the Client should consider providing;
- Delivering lease proposals for consideration by the Client;
- Negotiating leases with prospective tenants, landlords and Client;
- Conducting required due diligence required by Client or landlord for potential tenants;

Contractor shall be responsible for having taken steps reasonably necessary to ascertain the nature and location of the work, and the general and local conditions that can affect the work or the cost thereof. CMAP, at its sole option, may terminate or suspend this Agreement, in whole or in part, without penalty or further payment being required, if the Illinois General Assembly, the state funding source, or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason. The contractor will be notified in writing of the failure of appropriation or of a reduction or decrease.

5) Allowable Charges. No expenditures or charges shall be included in the cost of the Project and no part of the money paid to the Contractor shall be used by the Contractor for expenditures or charges that are: (i) contrary to provisions of this Agreement or the latest budget approved by a duly-authorized official of CMAP; (ii) not directly for carrying out the Project; (iii) of a regular and continuing nature, except that of salaries and wages of appointed principal executives of the Contractor who have not been appointed specifically for the purposes of directing the Project, who devote official time directly to the Project under specific assignments, and respecting whom adequate records of the time devoted to and services performed for the Project are maintained by the Contractor may be considered as proper costs of the Project to the extent of the time thus devoted and recorded if they are otherwise in accordance with the provisions hereof; or (iv) incurred without the consent of CMAP after written notice of the suspension or termination of any or all of CMAP's obligations under this Agreement.

6) Method of Payment.

Project expenditures are paid directly from federal and/or state funds. Because CMAP is responsible for obtaining federal reimbursement for project expenditures, it is necessary that CMAP monitor all procedures and documents which will be used to claim and support project-related expenditures. The following procedures should be observed to secure payment:

- b) Based on services performed, CONTRACTOR may submit invoices as frequently as once a month, but is required to submit invoices no later than fifteen (15) days after the end of each quarter. Failure to submit such payment request timely will render the amounts billed an unallowable cost for which the CONTRACTOR cannot be reimbursed. CMAP is committed to reducing paper use and has established an electronic invoicing system. All invoices are to be submitted through email to:

accounting@cmapp.illinois.gov

All invoices shall be signed by an authorized representative of the CONTRACTOR

- c) Subject to the conditions of this Agreement, CMAP will honor invoices in amounts deemed by it to be proper to insure the carrying out of the approved scope of services and shall be obligated to pay the Contractor such amounts as may be approved by CMAP. Invoices shall detail expenses and amount of time spent on CMAP assignments. If an invoice is not acceptable, CMAP shall promptly provide the Contractor a written statement regarding its ineligibility or deficiencies to be eliminated prior to its acceptance and processing. All invoices for services performed and expenses incurred by CONTRACTOR for the services of this Agreement must be presented to CMAP no later than

fifteen (15) days after the end of this Agreement. Notwithstanding any other provision of this Agreement, CMAP shall not be obligated to make payment to CONTRACTOR on invoices presented after said date. No payments will be made for services performed prior to the effective date of this Agreement. All payments will be transferred electronically to Contractor's business bank account. The successful Contractor will be requested to provide transfer numbers for the business bank account when the contract is finalized, in addition to a copy of its IRS W-9 (Request for Taxpayer Identification Number and Certification).

- d) Each invoice and report submitted must contain: the contract number, a unique vendor invoice number, a description of the services performed, the hourly rates and number of hours worked for each contractor, an itemization of travel and other costs which are chargeable to the contract and the following certification by an official authorized to legally bind the CONTRACTOR:

By signing this payment request, I certify that to the best of my knowledge and belief that the payment request is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of this contract. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812).

- e) The Contractor is required to pay all subcontractors within thirty days of receiving payment for that portion of the work from CMAP. Failure to pay subcontractors within thirty days may jeopardize future CMAP contract awards.
- 7) Conflict of Interest. In order to avoid any potential conflict of interest, the Contractor agrees during the term of this Agreement not to undertake any activities which could conflict directly or indirectly with the interest of CMAP. Contractor shall immediately advise CMAP of any such conflict of interest. CMAP shall make the ultimate determination as to whether a conflict of interest exists.
- 8) Audits. The records and supportive documentation for all completed projects are subject to an on-site audit by CMAP. CMAP reserves the right to inspect and review, during normal working hours, the work papers of the CONTRACTOR in support of their invoices.
- 9) Access to Records.
 - a. The Contractor and its Subcontractor, under this Agreement shall preserve and produce upon request of the authorized representatives of CMAP all data, records, reports, correspondence and memoranda of every description of the CONTRACTOR and its Subcontractors, if any, under this Agreement relating to carrying out this Agreement for the purposes of an audit, inspection or work review for a period of three (3) years after completion of the project, except that:
 - i. If any litigation, claim or audit is started before the expiration of three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
 - ii. Records for nonexpendable property acquired with federal funds shall be retained for three (3) years after its final disposition.

The CONTRACTOR shall include a provision in all of its subcontracts, if any, such provisions.

10) Subcontracts.

- a. Any subcontractors or outside associates or contractors required by the Contractor in connection with the services covered by this Agreement will be limited to such individuals or firms as were specifically identified and agreed to during negotiations. Any substitutions in or additions to such subcontractors, associates or contractors will be subject to the prior approval of CMAP.
- b. All subcontracts for work under this Agreement shall contain those applicable provisions which are required in this Agreement.
- c. The Contractor may not subcontract services agreed to under this Agreement without prior written approval of CMAP.

12) Suspension. If the CONTRACTOR fails to comply with the special conditions and/or the general terms and conditions of this Agreement, CMAP may, after written notice to the CONTRACTOR, suspend the Agreement and withhold further payments or prohibit the CONTRACTOR from incurring additional obligations of funds pending corrective action by the CONTRACTOR. If corrective action has not been completed within sixty (60) calendar days after service of written notice of suspension, CMAP shall notify the CONTRACTOR in writing that the Agreement has been terminated by reason of default in accordance with paragraph 14 hereof. CMAP may determine to allow such necessary and proper costs which the CONTRACTOR could not reasonably avoid during the period of suspension provided such costs meet the provisions of the U.S. Office Management and Budget 2 CFR 200 in effect on the date first above written.

13) Termination.

- a. This Agreement may be terminated in whole or in part in writing by either party in the event of substantial failure (hereinafter termed "Termination by Default") by the other party to fulfill its obligations under this Agreement through no fault of the terminating party, provided that no such termination may be affected unless the other party is given (i) not less than seven (7) calendar days written notice (delivered by certified mail, return receipt requested) of intent to Termination by Default, and (ii) an opportunity for consultation with the terminating party prior to Termination by Default.
- b. This Agreement may be terminated in whole or in part in writing by CMAP for its convenience (hereinafter termed "Termination for Convenience"), provided that the CONTRACTOR is given not less than seven (7) calendar days written notice (delivered by certified mail, return receipt requested) of intent to terminate.
- c. If Termination by Default is effected by CMAP, an equitable adjustment in the price provided for in this Agreement shall be made, but (i) no amount shall be allowed for anticipated profit on unperformed services or other work, and (ii) any payment due to the CONTRACTOR at the time of termination may be adjusted to the extent of any additional costs occasioned to CMAP by reason of the CONTRACTOR'S default. If Termination by Default is effected by the CONTRACTOR, or if Termination for Convenience is effected by CMAP, the equitable adjustment shall include a reasonable profit for services or other work performed. The equitable adjustment for any termination shall provide payment to the CONTRACTOR for services rendered and expenses

incurred prior to termination, in addition CMAP may include cost reasonably incurred by the CONTRACTOR relating to commitments which had become firm prior to termination.

- d. Upon notice of termination action pursuant to paragraphs (a) or (b) of this clause, the CONTRACTOR shall (i) promptly discontinue all services affected (unless the notice directs otherwise) and (ii) deliver or otherwise make available to CMAP all data, drawings, specifications, reports, estimates, summaries and such other information and materials as may have been accumulated by the CONTRACTOR in performing this Agreement, whether completed or in process.

- b. If any claim is brought against CMAP by third parties for alleged infringement of third-party patent and copyright and intellectual rights, which claim is caused by breach of the Contractor's promise as contained in paragraph a of this clause, the Contractor shall save harmless and indemnify CMAP from all loss, damage or expense (including attorney's fees) due to defending CMAP from such claim.
- a.
