

# STP Shared Fund FFY 2022-2026 Call for Projects: Estimated Programming Marks (updated January 15, 2021)

Based on funding allotments issued by IDOT in Circular Letter [2021-03](#) on January 8, 2021, and the application of funding distributions contained in the 2017 [agreement](#) between the City of Chicago and the CMAP Council of Mayors, CMAP anticipates the following funds will be available for programming for the FFY 2022 – 2026 STP Shared Fund call for projects. These estimates are subject to change.

Federal Fiscal Year (FFY)	Estimated funds available to program
2022*	\$0
2023*	\$0
2024*	\$0
2025	\$22,966,825
2026	\$22,966,825

\*FFYs 2022 – 2024 are currently fully programmed, therefore no additional project phases will be added in these years. However, active reprogramming may continue within these years according to the region’s [Active Program Management policies](#).
