

# 2021 ENR Committee Work Plan

January 7, 2021

# Committee charge

Provides feedback on CMAP planning and projects relating to the environment and natural resources to implement the ON TO 2050 plan and its principles of inclusive growth, resilience, and prioritized investment.

Serves to coordinate and prioritize policy positions, programs, and advocacy between CMAP, the region's communities, and other organizations.

# Work Plan

<b>Agency priorities</b>	Climate focus area, regional recovery
<b>Planning</b>	LTA projects, watershed planning
<b>Policy</b>	Legislative agenda, water supply
<b>Programming</b>	Air quality conformity
<b>Communications</b>	Board updates, engagement

# Work Plan

**Member and partner initiatives**

# Virtual meeting check-in

What works well?

What could be improved?

Ideas from elsewhere?
