- 4.0 Rethinking Mobility in a Post-COVID Chicago Region**

CMAP is undertaking an initiative to help the region understand the impacts of the COVID crisis on our mobility systems. This work will develop an actionable plan to keep the region on track to meet the goals of ON TO 2050. The work will look to mitigate a likely rebound in congestion, sustain the transit system beyond the recovery phase, and increase the overall resilience of the region's multimodal transportation system. Staff will present on the project scope and initial work conducted.

ACTION REQUESTED: Information
- 5.0 Embracing Biking and Walking Amid Pandemic**

COVID-19 has affected northeastern Illinois' entire transportation system, with residents showing increased interest in biking and walking. Staff will present on how communities have accommodated increased demand and key considerations for public officials.

ACTION REQUESTED: Information
- 6.0 Regional Traffic Safety Action Agenda**

Staff will present on the Regional Traffic Safety Action Agenda, which will address speed management, pedestrian and bicycle safety, and other factors that make our roads and walkways safer for all travelers.

ACTION REQUESTED: Information
- 7.0 Northern Lakeshore Trail Connectivity Plan**

Staff will present on the Northern Lakeshore Trail Connectivity Plan. The plan provides strategies and actions to improve walking and

bicycling connections between and among five northern lakeshore communities: Beach Park, Zion, Winthrop Harbor, Waukegan, and North Chicago.
