Re: FY2022 UWP Budget

On November 2, 2020, CMAP issued a Call for Projects for the FY2022 UWP proposals in line with the accelerated schedule for development of the FY2022 UWP so that a final UWP Program can be provided to IDOT by April 1, 2021. Due to the accelerated UWP schedule, the pandemic's impact on local budgets, and the request that spend funds more efficiently and move away from a 5-year agreement, the UWP Committee voted to pause the Competitive program and only conduct a Core program this year. The Competitive program will be evaluated over the remainder of the current fiscal year to develop a program that incorporates stronger performance measures and more efficient expenditures of resources. Thus, the FY2022 Call for Projects only consists of Core proposal submissions. Eight total Core proposals were received.

The FY2022 Budget reflects efforts to ensure that CMAP remains operational and provides for the core transportation planning dollars for the City of Chicago, the Council of Mayors, McHenry County and the transit agencies. Federal funding is estimated to be \$18,788,769 for FY2022, the same as the FY2021 federal funding level. With the required match, the total UWP program for FY2022 is estimated to be \$23,485,961.

CORE PROPOSALS

The core proposals submitted totaled \$23,469,458 of which \$18,775,566 was for federal funds. A brief synopsis of each core program was presented and discussed at the UWP committee meeting on December 9, 2020.

On January 13, 2021, the UWP Committee approved funding levels for the core proposals as follows:

- CMAP's request for \$18,793,062 be approved. This reflects a nominal 0.02%, or \$5,009 increase, from the FY2021 approved budget. This increase utilizes the \$16,503 residual unrequested funding for the UWP for this year.

- CDOT request for \$965,375 be approved, an increase of \$99,125 from FY2021.
- County request for \$300,000 be approved, unchanged from FY2021.
- Council of Mayors request for \$1,907,254 be approved, an increase of \$73,366 from FY2021. The COMs budget breakdown by Council is as follows for FY2022:
