- 5.0 Local incentive use: best practices and prevalence in the region**
Many communities allocate some of their limited funding to economic development incentives, often without policies or procedures in place that target these resources toward meeting community or regional goals. CMAP has developed a handbook of best practices for incentive use in metropolitan Chicago. Additionally, CMAP is currently developing a report on incentive use in the region, including how many and what sorts of communities in the region use incentives. Staff will present the findings from the Guide and provide an overview of ongoing research on incentives prevalence..
