7.0 Safety Resource Group Update

The Safety Resource Group, which was formed in late 2020 as part of the Safety Action Agenda, had their second meeting on May 14. The meeting was focused on regional speed management strategies in three topic areas, including engineering and design solutions; policies and processes; and education/behavior/enforcement. Staff will share feedback from that meeting and preview some of the work that's been completed to date.

ACTION REQUESTED: Discussion

8.0 Legislative Update

Staff will provide an update on relevant federal and state legislative activities.
