REQUEST FOR PROPOSALS (RFP) NO. 281

Project Oversight and Management for: SS4A Countywide Safety Action Plans in Northeastern Illinois

The Chicago Metropolitan Agency for Planning (CMAP) invites consultants to submit proposals for its, as described in this scope of work. Please read each section carefully for information regarding the proposal and submittal instructions.

SECTION 1: Background and General Information

About CMAP

The Chicago Metropolitan Agency for Planning (CMAP) is the region's metropolitan planning organization. The agency and its partners have developed ON TO 2050, a comprehensive plan that builds upon its predecessor GO TO 2040, to help the seven counties and 284 communities of northeastern Illinois implement strategies that address community, prosperity, the environment, governance, transportation and mobility. CMAP has adopted core values, which are: lead with excellence, pursue equity, passion for public service, drive innovation and foster collaboration. These values guide all of the decisions taken by the agency and the CMAP team. See www.cmap.illinois.gov for more information.

General Information

As a result of responses to this RFP, CMAP plans to review submissions and conduct interviews with selected consultants it determines can best meet the requirements outlined below. Negotiations will be held on both the scope and the cost to select the consultant that CMAP believes can best satisfy its requirements at rates it perceives are reasonable for the services provided. Subject to "Reservation of Rights" below, it is anticipated that a contract will be awarded for the work described. The contract awarded will be for a period of two years with three one-year options for renewal. Pending final execution of grant agreement.

SECTION 2: Scope of Project and Procurement Details

Project Background

The U.S. Department of Transportation (USDOT) recently announced a federal grant award to our region in the amount of \$3.9 million in response to a joint application submitted by the Chicago Metropolitan Agency for Planning (CMAP) and the Illinois Department of Transportation (IDOT) in partnership with six of the region's counties, Metra, and several local municipalities. As a local match to the funds, IDOT will contribute \$434,000 and the counties will collectively contribute \$540,000 in order to meet the federally required local match to release the funds.

The funds are provided under the Bipartisan Infrastructure Law, which establishes the new Safe Streets and Roads for All (SS4A) discretionary grant program to strengthen local approaches to roadway safety and save lives. The SS4A program supports the USDOT's National Roadway Safety Strategy and a goal of zero deaths and serious injuries on our nation's roadways.

The grant will fund a comprehensive, regional program called Safe Travel for All Roadmap (STAR), which will provide a framework for safety research and programs to make northeastern Illinois safer for all travelers.

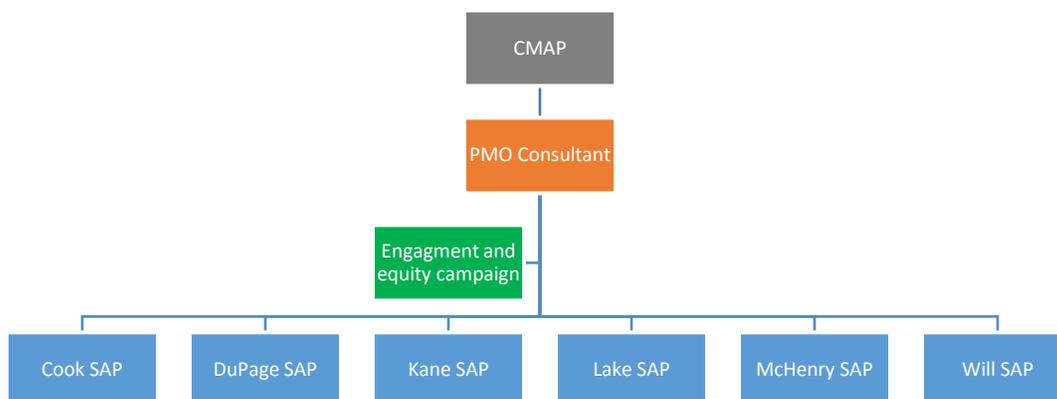

Traffic deaths have sharply increased since COVID-19. In the United States, fatalities are up 18%, while fatalities in northeastern Illinois jumped 42% between 2019 and 2021. An increasing number of those killed are people walking or riding a bike. And while the traffic safety crisis affects everyone, the risk is greater among low-income and Black communities.

The STAR program seeks to improve regional traffic safety in a comprehensive, equitable, data-informed and collaborative way. In particular, the program will provide technical assistance to six (6) counties in our region to develop county-wide safety action plans. The plans will use a regional framework but also will be unique to each county — building on existing efforts and addressing local issues. Each plan will leverage CMAP’s best practice research and analysis, data resources and technical expertise.

These plans will be designed to meet eligibility requirements for federal implementation grants, which the counties and municipalities may apply for. More than \$1 billion in competitive safety funds is available annually through the Infrastructure Investment and Jobs Act.

Project Description

CMAP is seeking a consultant to provide project management and oversight (“PMO”) of the development, delivery processes, and quality control (QC) of all activities related to the SS4A Countywide Safety Action Plan program. This will include assistance with the selection of, and management and oversight of, up to seven (7) consultants that will develop six (6) countywide safety action plans and one (1) region wide engagement and equity campaign. The selected consultant will not be eligible to provide the countywide safety action plans or region wide engagement and equity campaign services but will manage and oversee the work of the consultants hired to provide those services. The following graphic shows the various roles:

Each safety action plan (“SAP”) shall be developed in accordance with the requirements set forth in the federal Safe Streets and Roads for All program (“Federal Guidelines”) and a Regional Safety Action Plan Framework (“Regional Framework”) developed by CMAP.

The selected consultant will serve as an agency representative and provide project management oversight (PMO). The PMO will assist CMAP with the procurement of up to seven (7) consultants that will complete the balance of work outlined in the SS4A grant application attached hereto as ATTACHMENT 4. All responses to this request for proposals will be analyzed for completeness and cost effectiveness. The following criteria will be used in evaluating submissions:

All responses to this request for proposals will be analyzed for completeness. The following criteria will be used in evaluating submissions:

- 1) The demonstrated record of experience of the consultant as well as identified staff, verified by references, in providing the professional services as described in the scope of services.
- 2) The consultant's overall philosophy working with diverse and/or marginalized communities to achieve equitable outcomes.
- 3) The consultant's approach to integrating CMAP's [Core Values](#) in their interactions with stakeholders and communities in which they work.
- 4) Safety action plan services-specific evaluation criteria: Demonstrated experience with the Safe System Approach to traffic safety; knowledge and experience creating Safety Action or Vision Zero Plans that consider the safety and mobility needs for all road users including those who walk, bicycle, and access transit; familiarity with the USDOT Safe Streets for All Program or the National Roadway Safety Strategy.
- 5) Prior performance of previous planning and engineering contracts will be considered. Consultants who are or have been seriously deficient in current or recent contract performance in the absence of evidence to the contrary or circumstances properly beyond the control of the Consultant shall be presumed to be unable to meet these requirements. Past unsatisfactory performance will ordinarily be sufficient to justify a finding of non-responsibility.

CMAP will award 1-bonus point overall to those qualified respondents who have been certified as a DBE by the Illinois Unified Certification Program (IL-UCP), the City of Chicago Minority Business Enterprise (MBE) and Women-Owned Business Enterprise (WBE) and the Cook County Illinois MBE/WBE/VBE

Certification. All timely responses received to this scope of work will be reviewed, and interviews may be conducted with selected submitters CMAP determines can best meet the above requirements. Cost will be evaluated against other factors based upon the professional judgment of those involved in the evaluation. An internal CMAP committee will make the consultant selection decision.

As applicable, hourly rates for personnel the submitter proposes to use will be requested and negotiations will be held on both the scope and the cost to select the consultant CMAP believes can best satisfy its requirements at rates it perceives are reasonable for the services provided.

CHANGE REQUESTS MADE TO PERSONNEL, TITLES, PERSONNEL HOURS, HOURLY RATES OR SUBCONTRACTORS, INCLUDING SUBCONTRACTOR PERSONNEL, PERSONNEL HOURS OR HOURLY RATES MUST RECEIVE PRIOR WRITTEN APPROVAL FROM THE CMAP PROCUREMENT OFFICER. CHANGES MADE WITHOUT PRIOR WRITTEN APPROVAL WILL NOT BE REIMBURSED.

Clearly identify the project manager and describe the team's structure for leadership, support, and accountability. Each individual with time on the project should be identified, their qualifications outlined, and their role defined.

 - The project cost, which should focus on the cost of the consultant's contributions, not the overall cost of the larger project. Please note that estimation of cost for each example is very important and must be included. While cost may be difficult to calculate for some complex multi-part projects, CMAP requests that a rough estimate be included.

4. **References.** Provide at least three (3) references that CMAP staff may contact regarding the consultant's qualifications to undertake a project in each of the Services Areas. If applying for more than one service area, references should be provided for each service area. Reference information shall include:

- 1) Complete Agreement.
 - a) This Agreement (which also may be herein referred to as "Contract"), including all exhibits and other documents incorporated or referenced in the agreement, constitutes the complete and exclusive statement of the terms and conditions of the agreement between CMAP and Consultant and it supersedes all prior representations, understandings and communications. The invalidity in whole or in part of any term or condition of this Agreement shall not affect the validity of other terms or conditions.
 - b) Order of Precedence: Conflicting provisions hereof, if any, shall prevail in the following descending order of precedence: (1) the provisions of the executed contract, including its exhibits; (2) the provisions of the RFP on which the contract is based including any and all Addendums; (3) the proposal submitted to CMAP by the Consultant in response to said RFP; and (4) any other documents cited or incorporated herein by reference.
 - c) CMAP's failure to insist in any one or more instances upon the performance of any terms or conditions of this Agreement shall not be construed as a waiver or relinquishment of CMAP's right to such performance by the Consultant or to future performance of such terms or conditions and Consultant's obligation in respect thereto shall continue in full force and effect. Consultant shall be responsible for having taken steps reasonably necessary to ascertain the nature and location of the work, and the general and local conditions that can affect the work or the cost thereof. Any failure by the Consultant to do so will not relieve it from responsibility for successfully performing the work without additional expense to CMAP.

- d) CMAP assumes no responsibility for any understanding or representations made by any of its officers, employees or agents prior to the execution of this Agreement, unless such understanding or representations by CMAP are expressly stated in this Agreement.
 - e) Changes: CMAP may from time to time order work suspension or make any change in the general scope of this Agreement including, but not limited to changes, as applicable, in the drawings, specifications, delivery schedules or any other particulars of the description, statement of work or provisions of this Agreement. If any such change causes an increase or decrease in the cost or time required for performance of any part of the work under this Agreement, the Consultant shall promptly notify CMAP thereof and assert its claim for adjustment within thirty (30) days after the change is ordered. A written amendment will be prepared for agreement between CMAP and the Consultant for changes in scope, time and/or costs. No amendments are effective until there is a written agreement that has been signed by both parties. No claim by the Consultant for equitable adjustment hereunder shall be allowed if asserted after final payment under this Agreement.
 - f) Changes to any portion of this Agreement shall not be binding upon CMAP except when specifically confirmed in writing by an authorized representative of CMAP.
 - g) Only the Executive Director of CMAP, or designee, shall have the authority to act for and exercise any of the rights of CMAP as set forth in this Agreement, subsequent to and in accordance with the authority granted by CMAP's Board of Directors
 - h) For its convenience, CMAP reserves the right to extend the Term of this agreement. Any changes to the Term of this Agreement shall not be binding until specifically confirmed in writing by authorized representatives of both parties.
- 2) Independent Consultant. Consultant's relationship to CMAP in the performance of this Agreement is that of an independent consultant. Consultant's personnel performing work under this Agreement shall at all times be under Consultant's exclusive direction and control and shall be employees of Consultant and not employees of CMAP. Consultant shall pay all wages, salaries and other amounts due its employees in connection with this Agreement and shall be responsible for all reports and obligations respecting them, including, but not limited to, social security, income tax withholding, and unemployment compensation, workers ' compensation insurance and similar matters.
- 3) Assignment.
- a. This agreement shall be binding upon, and inure to the benefit of, the respective successors, assigns, heirs, and personal representatives of CMAP and Consultant. Any successor to the Consultant's rights under this Agreement must be approved by CMAP unless the transaction is specifically authorized under federal law. Any successor will be required to accede to all the terms, conditions and requirements of the Agreement as a condition precedent to such succession.
 - b. The Consultant shall not assign any interest in this Agreement and shall not transfer any interest in the same (whether by assignment or novation), without the prior written consent of CMAP hereto, provided, however, that claims for money due or to become due to the Consultant from CMAP under this Agreement may be assigned to a bank, trust company or other financial institution without such approval. Notice of any such assignment or transfer shall be furnished to CMAP.
- 4) Availability of Appropriation (30 ILCS 500/20-60). This Agreement is contingent upon and subject to the availability of funds. CMAP, at its sole option, may terminate or suspend this Agreement, in whole or in

part, without penalty or further payment being required, if the Illinois General Assembly, the state funding source, or the federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason. The consultant will be notified in writing of the failure of appropriation or of a reduction or decrease.

5) Allowable Charges. No expenditures or charges shall be included in the cost of the Project and no part of the money paid to the Consultant shall be used by the Consultant for expenditures or charges that are: (i) contrary to provisions of this Agreement or the latest budget approved by a duly-authorized official of CMAP; (ii) not directly for carrying out the Project; (iii) of a regular and continuing nature, except that of salaries and wages of appointed principal executives of the Consultant who have not been appointed specifically for the purposes of directing the Project, who devote official time directly to the Project under specific assignments, and respecting whom adequate records of the time devoted to and services performed for the Project are maintained by the Consultant may be considered as proper costs of the Project to the extent of the time thus devoted and recorded if they are otherwise in accordance with the provisions hereof; or (iv) incurred without the consent of CMAP after written notice of the suspension or termination of any or all of CMAP's obligations under this Agreement.

6) Method of Payment.

Project expenditures are paid directly from federal and/or state funds. Because CMAP is responsible for obtaining federal reimbursement for project expenditures, it is necessary that CMAP monitor all procedures and documents which will be used to claim and support project-related expenditures. The following procedures should be observed to secure payment:

- b) Based on services performed, CONSULTANT may submit invoices as frequently as once a month, but is required to submit invoices no later than fifteen (15) days after the end of each quarter. Failure to submit such payment request timely will render the amounts billed an unallowable cost for which the CONSULTANT cannot be reimbursed. CMAP is committed to reducing paper use and has established an electronic invoicing system. All invoices are to be submitted through email to:

accounting@cmapp.illinois.gov

All invoices shall be signed by an authorized representative of the CONSULTANT

- c) Subject to the conditions of this Agreement, CMAP will honor invoices in amounts deemed by it to be proper to insure the carrying out of the approved scope of services and shall be obligated to pay the Consultant such amounts as may be approved by CMAP. Invoices shall detail expenses and amount of time spent on CMAP assignments. If an invoice is not acceptable, CMAP shall promptly provide the Consultant a written statement regarding its ineligibility or deficiencies to be eliminated prior to its acceptance and processing. All invoices for services performed and expenses incurred by CONSULTANT for the services of this Agreement must be presented to CMAP no later than fifteen (15) days after the close of the fiscal year for multi-year contracts, or no later than fifteen (15) days after the end of this Agreement for shorter term contracts. Notwithstanding any other provision of this Agreement, CMAP shall not be obligated to make payment to CONSULTANT on invoices presented after said date. No payments will be made for services performed prior to the effective date of this Agreement. All payments will be transferred electronically to Consultant's business bank account. The successful Consultant will be requested to provide transfer numbers for the business bank account when the contract is finalized, in addition to a copy of its IRS W-9 (Request for Taxpayer Identification Number and Certification).
- d) Each invoice and report submitted must contain: the contract number, a unique vendor invoice number, a description of the services performed, the hourly rates and number of hours worked for

each consultant, an itemization of travel and other costs which are chargeable to the contract and the following certification by an official authorized to legally bind the CONSULTANT:

By signing this payment request, I certify that to the best of my knowledge and belief that the payment request is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of this contract. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812).

- e) The Consultant is required to pay all subconsultants within thirty days of receiving payment for that portion of the work from CMAP. Failure to pay subconsultants within thirty days may jeopardize future CMAP contract awards.
- 7) Conflict of Interest. In order to avoid any potential conflict of interest, the Consultant agrees during the term of this Agreement not to undertake any activities which could conflict directly or indirectly with the interest of CMAP. Consultant shall immediately advise CMAP of any such conflict of interest. CMAP shall make the ultimate determination as to whether a conflict of interest exists.
- 8) Audits. The records and supportive documentation for all completed projects are subject to an on-site audit by CMAP. CMAP reserves the right to inspect and review, during normal working hours, the work papers of the CONSULTANT in support of their invoices.
- 9) Access to Records.
 - a. The Consultant and its Subconsultant, under this Agreement shall preserve and produce upon request of the authorized representatives of CMAP all data, records, reports, correspondence and memoranda of every description of the CONSULTANT and its Subconsultants, if any, under this Agreement relating to carrying out this Agreement for the purposes of an audit, inspection or work review for a period of three (3) years after completion of the project, except that:
 - i. If any litigation, claim or audit is started before the expiration of three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.
 - ii. Records for nonexpendable property acquired with federal funds shall be retained for three (3) years after its final disposition.

The CONSULTANT shall include a provision in all of its subcontracts, if any, such provisions.

- 10) Subcontracts.
 - a. Any subconsultants or outside associates or consultants required by the Consultant in connection with the services covered by this Agreement will be limited to such individuals or firms as were specifically identified and agreed to during negotiations. Any substitutions in or additions to such subconsultants, associates or consultants will be subject to the prior approval of CMAP.

- b. All subcontracts for work under this Agreement shall contain those applicable provisions which are required in this Agreement.
 - c. The Consultant may not subcontract services agreed to under this Agreement without prior written approval of CMAP.
- 11) Equipment Inventory. An inventory of non-expendable personal property having a useful life of more than two years and an acquisition cost of \$500 or more is subject to periodic inspection by CMAP.
- 12) Suspension. If the CONSULTANT fails to comply with the special conditions and/or the general terms and conditions of this Agreement, CMAP may, after written notice to the CONSULTANT, suspend the Agreement and withhold further payments or prohibit the CONSULTANT from incurring additional obligations of funds pending corrective action by the CONSULTANT. If corrective action has not been completed within sixty (60) calendar days after service of written notice of suspension, CMAP shall notify the CONSULTANT in writing that the Agreement has been terminated by reason of default in accordance with paragraph 14 hereof. CMAP may determine to allow such necessary and proper costs which the CONSULTANT could not reasonably avoid during the period of suspension provided such costs meet the provisions of the U.S. Office Management and Budget 2 CFR 200 in effect on the date first above written.
- 13) Termination.
- a. This Agreement may be terminated in whole or in part in writing by either party in the event of substantial failure (hereinafter termed "Termination by Default") by the other party to fulfill its obligations under this Agreement through no fault of the terminating party, provided that no such termination may be affected unless the other party is given (i) not less than seven (7) calendar days written notice (delivered by certified mail, return receipt requested) of intent to Termination by Default, and (ii) an opportunity for consultation with the terminating party prior to Termination by Default.
 - b. This Agreement may be terminated in whole or in part in writing by CMAP for its convenience (hereinafter termed "Termination for Convenience"), provided that the CONSULTANT is given not less than seven (7) calendar days written notice (delivered by certified mail, return receipt requested) of intent to terminate.
 - c. If Termination by Default is effected by CMAP, an equitable adjustment in the price provided for in this Agreement shall be made, but (i) no amount shall be allowed for anticipated profit on unperformed services or other work, and (ii) any payment due to the CONSULTANT at the time of termination may be adjusted to the extent of any additional costs occasioned to CMAP by reason of the CONSULTANT'S default. If Termination by Default is effected by the CONSULTANT, or if Termination for Convenience is effected by CMAP, the equitable adjustment shall include a reasonable profit for services or other work performed. The equitable adjustment for any termination shall provide payment to the CONSULTANT for services rendered and expenses incurred prior to termination, in addition CMAP may include cost reasonably incurred by the CONSULTANT relating to commitments which had become firm prior to termination.
 - d. Upon notice of termination action pursuant to paragraphs (a) or (b) of this clause, the CONSULTANT shall (i) promptly discontinue all services affected (unless the notice directs otherwise) and (ii) deliver or otherwise make available to CMAP all data, drawings, specifications, reports, estimates, summaries and such other information and materials as may have been

accumulated by the CONSULTANT in performing this Agreement, whether completed or in process.

- e. Upon termination pursuant to paragraphs (a) or (b) of this clause, CMAP may take over the work and prosecute the same to completion by agreement with another party otherwise.
- f. In the event the CONSULTANT must terminate this Agreement due to circumstances beyond its control, the termination shall be deemed to have been effected for the convenience of CMAP. In such event, adjustment of the price provided for in this Agreement shall be made as provided in paragraph c of this clause.

14) Patents and Copyright Responsibility.

- a. The Consultant agrees that any material or design specified by the Consultant or supplied by the Consultant pursuant to this Agreement shall not infringe any patent or copyright and the Consultant shall be solely responsible for securing any necessary licenses required for patented or copyrighted material used by the Consultant.
- b.
