1.0 Welcome and announcements

2.0 Agency updates

Open discussion among TTOC members regarding current work projects, topics of interest for upcoming meetings, etc.

3.0 CMAP announcements

4.0 HSIP program and scoring criteria

PURPOSE & ACTION: Staff from IDOT will present on the Highway Safety Improvement Program. Specifically, staff will discuss the evolution of and recent changes to the HSIP as well as provide information on program scoring criteria.

5.0 Traffic signal asset condition study

PURPOSE & ACTION: Professor Ryan Fries from SIU-Edwardsville will provide an update on an ongoing study to evaluate traffic signal condition information for the Illinois Center for Transportation. The study has concluded the literature review and is moving into the next phase. Professor Fries will update the group on project status and solicit input from operations staff on issues related to traffic signal asset condition management.

6.0 Adjournment
