

## Conclusion

On behalf of the many contributors to this GO TO 2040 comprehensive regional plan, CMAP thanks you for reading this document. On October 13, 2010, the final plan was adopted by the CMAP Board and MPO Policy Committee.

Your continued involvement in and advocacy for GO TO 2040 will be absolutely essential to implementing the plan's recommendations. CMAP's hope is that all who read it will recognize many principles that they are inspired to rally behind. Now is the time for all of us, as residents of the seven counties, to emphasize our common interests and look beyond our short-term concerns to strive toward the Regional Vision.

Whether you are a private citizen, local official, planner, business person, educator, or part of any other stakeholder group, we hope you see your issues addressed thoughtfully in the plan. Whether you have participated to date or are participating for the first time by reading the plan, we hope you continue to take advantage of opportunities presented by CMAP through GO TO 2040 to weigh in on issues that matter to you and your community. The region's future depends on your active engagement.
