Citizens' Advisory Committee

Staff Contact: John Allen

The October 12 meeting of the CAC was cancelled. The committee is scheduled to meet again on November 8.

Economic & Community Development

Staff Contact: Brian Rademacher

The Economic and Community Development Committee did not meet in September. The next meeting of the committee is October 26.

Environment & Natural Resources

Staff Contact: Jesse Elam

The Environment and Natural Resources Committee has not met since our last reporting and is scheduled to meet again on November 3.

Housing

Staff Contact: Lee Deuben

The CMAP Housing Committee has not met since our last reporting and is scheduled to meet again on October 21.

Human Services

Staff Contact: Russell Pietrowiak

The Human Services committee met on September 13th. The RTA presented the 2010 JARC and New Freedom program of projects for comment. The committee received updates regarding the development of 2-1-1 in Illinois and Public Health planning efforts and briefly discussed the *GOTO 2040* plan and the role that the committee may have in its implementation. The next meeting of the Human Services Committee is scheduled for Monday, November 8th.

Land Use

Staff Contact: Stephen Ostrander

The Land Use Committee has not met since our last reporting. The next meeting of the Land Use Committee is scheduled for October 20.

Transportation

Staff Contact: Teri Dixon

The Transportation Committee considered the full update to the Transportation Improvement Program and associated documentation that was undertaken in the spring. The TIP implements the transportation recommendations of *GO TO 2040*, and provides accountability for the use of federal transportation dollars in the region. In addition, the air quality impacts of transportation projects in *GO TO 2040* and the *FFY 2010 – 2015 TIP* were evaluated through a conformity analysis. The result of the analysis found that *GO TO 2040* and the *FFY 2010-2015 TIP* met all applicable requirements for conformity to the *State Implementation Plan (SIP)* and
