**MEMORANDUM**

**TO:** CMAP Committee on Land Use

**FROM:** Mark Avery, Chairman

A handwritten signature in black ink, appearing to read "Mark Avery".

**SUBJ:** Leadership Workshops

**DATE:** May 10, 2009

---

During the months of May and June, the staff of CMAP will be conducting a series of regional leadership workshops to engage leaders and stakeholders charged with the implementation of the regional framework, as well as provide forums for discussion to talk about about creating new opportunities for the future. An overview of CMAP's direction to date and a vision for the future will be discussed. Another important component of this discussion will be an opportunity to talk about the prospective integrated plan for land use and transportation, the *Regional Comprehensive Plan*, scheduled for completion in 2010.

As new members to the Land Use Committee and for many of us, our first working relationship in a CMAP capacity, I think it is tremendously important that we take advantage of this workshop to meet and work with our fellow stakeholders, to take ownership in our mission, and to maximize the contribution that each of us can offer to the Land Use Committee and other CMAP activities.

A schedule of the workshops and locations is enclosed in your packets. Once again, I highly recommend that you take advantage of this opportunity. Thanks for your continued commitment to CMAP and its mission for integrated land use and transportation planning in northeastern Illinois.

Many thanks for your consideration.
