

ILLINOIS TRANSPORTATION ENHANCEMENT PROGRAM (ITEP) provides funding for community based projects that expand travel choices and enhance the transportation experience by improving the cultural, historic, aesthetic and environmental aspects of our transportation infrastructure.

Using the SAFETEA-LU federal categories, IDOT is accepting project applications for ITEP funding in the following twelve categories:

1. Provision of facilities for pedestrians and bicycles
2. Scenic or historic highway programs (including the provision of tourist and welcome center facilities)
3. Landscaping and other scenic beautification
4. Historic preservation
5. Rehabilitation of historic transportation buildings, structures, or facilities (including historic railroad facilities and canals)
6. Provision of safety and educational activities for pedestrians and bicyclists
7. Acquisition of scenic easements and scenic or historic sites
8. Preservation of abandoned railway corridors for the conversion and use thereof for pedestrian and bicycle trails
9. Control and removal of outdoor advertising
10. Establishment of transportation museums
11. Environmental mitigation to address water pollution due to highway runoff or reduce vehicle-caused wildlife mortality while maintaining habitat connectivity
12. Archeological planning and research
