Re: Public Comment Release: Draft GO TO 2040 plan update

Staff began the process of updating the GO TO 2040 plan, as required by federal law, in the summer of 2013. Over the last several months, the CMAP Board, MPO Policy Committee, and working committees have reviewed and provided input on updates of the plan indicators, implementation action tables, financial plan, and major capital projects. At this time, CMAP is ready to release the full draft plan update for public comment following the June meetings of the Board and MPO Policy Committee. The official public comment period will run June 13 to August 1, 2014. Stakeholders and the public will have the opportunity to provide comment at a series of open houses scheduled to take place across the region over the summer or online at <http://www.cmap.illinois.gov/about/2040/update>, beginning Friday, June 13.

The full draft plan update consists of the following documents, which are available for your download and review in PDF form at the links below:

- GO TO 2040 [plan update summary](#) draft for public comment
 - Appendix: [Major Capital Projects](#)
 - Appendix: [Financial Plan for Transportation](#)
 - Appendix: [Socioeconomic Forecast Update Overview](#)
 - Appendix: [Implementation Action Areas](#)
 - Appendix: [Indicator Methodology](#)
 - Appendix: [Transportation Conformity Analysis](#)
 - Appendix: [Travel Model Documentation](#)
 - Appendix: Public Engagement Summary (available *following* the public comment period)

Working committee members provided feedback on a draft plan update summary document in May. The version linked above reflects revisions based on those comments. Committee members are encouraged to provide comments on any of the above at the July meeting or directly to Drew Williams-Clark (awilliamsclark@cmap.illinois.gov) by close of business on August 1.
