

## **Scope of Service/Responsibilities**

### **FY 2016 Planning Liaison Scope of Services**

Draft For Council of Mayors Executive Committee Consideration on 1/27/15

The Planning Liaison (PL) Program is funded with Federal Metropolitan Planning funds, as allocated in the Unified Work Program (UWP). Local matching funds are provided by each local Council. The PL Program receives Core Supplemental funds to assist CMAP, as the Metropolitan Planning Organization for the Chicago region, in meeting Federal transportation planning requirements including development of a Long Range Transportation Plan, Transportation Improvement Program, and Congestion Management System. The PL Program includes five general task areas described below that will be completed using the Core Supplemental budget as allocated in the FY 2016 UWP.

#### **Communication & Public Involvement**

The PL program will be the basic communication link between CMAP and the suburban mayors. PL staff will provide information about CMAP transportation policies, programs and initiatives to local officials and stakeholders, provide feedback regarding those issues to the CMAP staff, committees and Board and ensure that CMAP is apprised of regional and sub-regional issues of importance to their communities. The PL program will be the primary public contact for local government projects in the Interactive TIP Map. The PL program will actively work to assist CMAP staff with the implementation of *Go To 2040*.

#### **General Liaison**

The PL program will provide staff assistance as part of the comprehensive regional planning effort. This includes being involved in the CMAP committee structure, providing technical and other support to help achieve CMAP objectives. The PL staff will participate in and provide input on local planning initiatives as well as regional planning efforts surrounding the Transportation Improvement Program, Congestion Management System, and *Go To 2040*, specifically the CREATE program and other major capital projects, the STAR Line Mayors Task Force, the IDOT Eisenhower Expressway (I-290) study, the Southeast Commuter Rail Service, the Cook-DuPage Corridor Study, Tollway efforts (including the I-90 Corridor and IL 53 North Extension), MAP-21 implementation/reauthorization, etc.

#### **Program Development – Surface Transportation Program**

The PL staff will facilitate the Surface Transportation Program (STP) at the discretion of local Council methodologies while meeting federal requirements. The PL staff will assist in the development of sub-regional annual and multi-year, multi-modal transportation improvement programs consistent with regional strategies and will be responsible for programming STP projects in the CMAP TIP database and for facilitating the implementation of projects through the Illinois Department of Transportation.

#### **Program Monitoring**

The PL program will work with local officials, regional, state and federal agencies and consultants to ensure the timely, efficient and effective implementation of transportation projects. This will include providing regular project status reports as well as close coordination with CMAP and IDOT staff for all locally sponsored projects. The PL program will be responsible for Active Program Management, as well as review applications and assist in implementation for locally sponsored STP projects. The PL program will take an active role in the Congestion Mitigation and Air Quality (CMAQ) project application review, selection and implementation process. Additional assistance, monitoring and review will be provided for the Safe Routes to
