2010: From Polygons to Parcels

- 2005 Polygon-Based:
 - We draw the lines
 - Land use carries out to street centerline
- 2010 Parcel-Based:
 - Rely on county parcel geometry
 - Some coding can be automated
 - Uses do not extend into ROW

"All-Parcel" Version for Internal Use

- Contains all 2,565,568 parcel polygons.
- Includes full PIN number, county assessor class, residential unit estimate.
- Owner name for non-residential parcels.
- No ROW polygons.
- Restrictions: CMAP or CMAP-contractor use only.
